Samantha and Mason are together. Everyone knows it. Not everyone is dealing with it. While Mason□s ready to give them the middle finger, there□s one not going away. Her mother. Threats are issued. Ultimatums are given. Even blackmail is used, but only Samantha can put a stop to Analise. However, when a trauma from her past is triggered, she may not have the courage or strength to do what□s needed. If she doesn□t, Mason□s future could be destroyed.

Sam's first day at Fallen Crest Public doesn't go well. Some girls want to be her. Some girls want to destroy her. And some just don't like her. All in all, despite being protected by Mason and Logan, it's still only the strong survive. Sam will not only have to survive, she needs to learn how to conquer too, but there's another battle growing. Things are about to come to a disastrous end between the towns, Roussou and Fallen Crest. Sam's other main dilemma? Keeping Mason and Logan from getting arrested or hospitalized.

Mason and Logan Kade are two brothers who did their own thing. They were rich and expected to attend Samantha's school, Fallen Crest Academy. They chose public school and now she has to live with them. The problem is that she doesn't care at all: about them, about her friends, about her cheating boyfriend, or even about her parent's divorce. But maybe that's a good thing. Maybe change is a good thing.

Mason Kade is the dream. He is the promise. He's offering what so many would fantasize about, and it's not that I don't want it/him/us. It's the opposite. There might be ghosts haunting me, but this man who's my soulmate is asking me for forever. How can I say no to someone who already gave me my happily ever after? The last full-length novel for the Fallen Crest Series!

You think you know me? Manwhore. Partier. Fighter. You know what? You're right. I'm all those things. F\*ck with mine and I'll f\*ck you ten times harder. Suspensions. Arrests. You think I care? So yeah, I may fit the bad boy image, but there's so much more you don't know. I'm loyal to a damned fault. I'll never leave your side. The real Logan Kade isn't a manwhore. When I love, I love hard and completely. Taylor saw that side of me. Inside of me. She saw my darkness and pain, and the second she did, she owned me. You may think you know me... ..but she's the only one who sees me. \*\*Standalone for new readers, but does fit in the Fallen Crest Series between Fallen Crest University and Fallen Crest Home.

Fallen Crest is back with a vengeance! Samantha, Mason, and Logan are all together and united with one common enemy: Park Sebastian, the king of fraternity douchebags. With professional football scouts eyeing his every move, Mason Kade has to walk the line for the first time in his life. Any move he makes against Sebastian has to be perfect and under the radar. One mistake, and his career is over. Sebastian has other plans. Mason's career isn't his target--not even close. Wanting to destroy Mason completely, Sebastian knows he must hit him where it hurts the most: Samantha, who doesn't give a rat's ass that she's the target. Sam is bound and determined to protect Mason herself, no matter the cost, but what if the cost is beyond her imagination? What if this time, the villain wins?
