The Fateful Triangle - Wikipedia

The Fateful Triangle: The United States, Israel and the Palestinians is a 1983 book by Noam Chomsky about the relationship among the U.S., Israel and the Arab Palestinians. Chomsky examines the origins of this relationship and its meaningful consequences for the Palestinians and other Arabs.

Fateful Triangle: The United States, Israel and the ...

Fateful Triangle may be the most ambitious book ever attempted on the conflict between Zionism and the Palestinians viewed as centrally involving the United States. It is a dogged expose of human corruption, greed, and intellectual dishonesty. It is also a great and important book, which must be read by anyone concerned with public affairs. "

Fateful Triangle: The United States, Israel, and the ...

First published in 1983, Fateful Triangle is a comprehensive indictment of what Noam Chomsky calls the "disgraceful and extremely dangerous" policy the United States has enacted towards Israel, particularly with regard to Israel's actions concerning the Palestinians. Supporters of Israel must willfully overlook or deny that nation's long history of human rights violations and military aggression, Chomsky writes, and they will continue to do so as long as Israel is strategically useful ...

Taking a long view of the three-party relationship, and its future prospects In this Asian century, scholars, officials and journalists are increasingly focused on the fate of the rivalry between China and India. They see the U.S. relationships with the two Asian giants as now intertwined, after having followed separate paths during the Cold War. In Fateful Triangle, Tanvi Madan argues that China ' s influence on the U.S.-India relationship is neither a recent nor a momentary phenomenon. Drawing on documents from India and the United States, she shows that American and Indian perceptions of and policy toward China significantly shaped U.S.-India relations in three crucial decades, from 1949 to 1979. Fateful Triangle updates our understanding of the diplomatic history of U.S.-India relations, highlighting China ' s central role in it, reassesses the origins and practice of Indian foreign policy and nonalignment, and provides historical context for the interactions between the three countries. Madan ' s assessment of this formative period in the triangular relationship is of more than historic interest. A key question today is whether the United States and India can, or should develop ever-closer ties as a way of countering China ' s desire to be the dominant power in the broader Asian region. Fateful Triangle argues that history shows such a partnership is neither inevitable nor impossible. A desire to offset China brought the two countries closer together in the past, and could do so again. A look to history, however, also shows that shared perceptions of an external threat from China are necessary, but insufficient, to bring India and the United States into a close and sustained alignment: that requires agreement on the nature and urgency of the threat, as well as how to approach the threat strategically, economically, and ideologically. With its long view, Fateful Triangle offers insights for both present and future policymakers as they tackle a fateful, and evolving, triangle that has regional and global implications.

A comprehensive indictment of what Noam Chomsky calls the "disgraceful and extremely dangerous" policy the US has enacted towards Israel.

" One of the definitive works on the Israeli Palestinian conflict " from the celebrated New York Times–bestselling author of Hopes and Prospects (Amy Goodman, host of Democracy Now! and author of Breaking the Sound Barrier). From its establishment to the present day, Israel has enjoyed a unique position in the American roster of international friends. In Fateful Triangle, Noam Chomsky explores the character and historical development of this special relationship. The resulting work " may be the most ambitious book ever attempted on the conflict between Zionism and the Palestinians viewed as centrally involving the United States. It is a dogged exposé of human corruption, greed, and intellectual dishonesty. It is also a great and important book, which must be read by anyone concerned with public affairs " (Edward W. Said, from the foreword). " A devastating collection of charges aimed at Israeli and American policies that affect the Palestinian Arabs negatively. " Library Journal " Brilliant and unscrupulous. " The Observer " A major, timely and devastating analysis of one of the great tragedies. " The Tribune " Formidable. " The Jewish Quarterly

In this work drawn from lectures delivered in 1994 a founding figure of cultural studies reflects on the divisive, deadly consequences of our politics of identification. Stuart Hall untangles the power relations that permeate race, ethnicity, and nationhood and shows how oppressed groups broke apart old hierarchies of difference in Western culture.

Fateful Triangle - Brookings

One of the foremost critics of U.S. foreign policy delivers his insight into the ways that popular activism has led to substantial gains in freedom and justice around the world—and how those gains can be reached in the United States.

An indispensable guide through the work of the world's most influential living intellectual.

Fateful Triangle: The United States, Israel, and the ...

The essays that make up this study provide a wide-ranging survey of the special relationship that exists between the Israelis and the Hashemite family. This relationship is shown to have far-reaching implications for Middle Eastern affairs.
