The #1 New York Times bestseller!a thrilling and seductive Cinderella love story from E L James, author of the phenomenal bestselling Fifty Shades Trilogy. Claspng her plait at the base of her neck, I tug lightly, bringing her lips up to mine. "Alessia," I breathe, and kiss her again, softly, slowly. She stills in my arms, then brings her hands up to clutch my biceps, closing her eyes as she accepts me. I deepen the kiss, my tongue teasing her lips, and she opens her mouth. She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Treveithick. With his good looks, aristocratic connections, and money, he's never had to work, and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's title, wealth, and estates, and the responsibility that entails. It's a role he's not prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more than a dangerous and troublesome past. As Maxim's longing for her deepens into a passion he's never experienced and dares not name, he's left to wonder just who is Alessia Demachi? And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, The Mister combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page.

EL James has made \$50 million from the Shades of Grey Trilogy. In "The Fifty Shades of Grey Phenomena," best-selling erotic writer Chloe Thurlow reveals the secrets of how it's done. With a point-by-point study of "Fifty Shades of Grey," Thurlow provides insider tips of writing romance erotica. She shows how to create living characters, and how to keep readers glued to the page by "showing" what's happening through action, not "telling" the reader with dull explanation. There are selections from the first Master of Erotica, the Marquis de Sade, and how erotica has changed through the ages; excerpts from Thurlow's own writing; a list of erotic publishers hungry for new material - and lots more. For writers setting out to write romantic erotica, and for established writers who want to add a sharp new tool to their erotic toolbox, "The Fifty Shades of Grey Phenomena" is essential reading. Chloe Thurlow is the author of five acclaimed novels, numerous erotic short stories and essays. "Ms. Thurlow's writing is captivating. The fantasy she builds flows with a hint of conspiracy and I would recommend this book to those who want to read about some of the lesser-known BDSM fetish play." The Romance Reviews, on "A Girl's Adventure," an Xcite Books top-selling title.

Heat has always sizzled between private investigators and the femme fatales who walk through their doors. But in this startling, original anthology, these 17 authors—many of them winners of the prestigious Shamus Award—from sizzle to steamy, illustrating that sex and crime not only go hand in hand, but reaches far deeper into the stirrings of the heart From classic detective tales by Max Allan Collins and Parnell Hall, to tales of infidelity and suspicion from Terrill Lee Lankford and David Housewright, to surprising stories of female detectives by M. Ruth Myers to Sara Paretsky, here is a sexy, bawdy spin on the art of detection and the law of attraction. Other clever and seductive tales are presented by Carolina Garcia-Aguilera, Justin Scott, Gary Phillips, Jerry Kennealy, Michael Bracken, Christine Matthews, Robert J. Randisi, Warren Murphy, Ted Fitzgerald, Dick Lochte, and John Lutz. In all, these sexy damsels in distress and their all-too-willing investigators give new meaning to the term private!uh, you know. Fifty Shades of Grey Fedora will steam up even the most mundane stakeout.

During the recent renovations of the Orchard House in Concord, Massachusetts—the home of the famed Alcott family—workmen repairing rotting beams discovered a handwritten manuscript tightly rolled into a bottle and buried in the earthen floor of what was once the root cellar. Conservators from Harvard University's Peabody Museum date the manuscript from the late 1800s. Although the title page bears no signature, there can be little doubt of its authenticity or its author. The text, published for the first time, will no doubt offend scholars—while capturing the prurient imagination of many readers. The author's true purpose is lost to us, save for hints throughout suggesting that writing this memoir d'amour served as a cathartic exercise. Only the manuscript remains, and it is offered in unexpurgated form here. Louisa May Alcott, author of the classic Little Women, consort of Emerson, Thoreau and Hawthorne, beloved icon of professors of American 19th-century literature and perhaps less loved by their legions of students, had a lively side that was less academic, and more . . . transcendental than any of us knew. Brilliantly penned by a well-known writer who prefers the cloak of anonymity to the vulgar embrace of rude fame (of which s/he has no need), this hilarious little book reveals the unbridled passion—that-might-have-been of one of the world's most popular authors. A vividly written tome that just might tell us more about the sowing of transcendental wild oats than any realm of volumes on the subject, Fifty Shades of Louisa May is not for the weak of art, or for those who prefer their literary icons under glass. It imagines an unhinged Melville doing what comes naturally, a Centennial Ball unlike any heretofore described, Louisa May's ardent encounters with her (Wooden Friend,) and much, much more. Explicitly illustrated with X-rated woodcuts.

"What do you think of my fiction book writing?" the aspiring novelist extorted. "Damn," the editor hectorcd, in turn. "I can not publish your novel! It is full of what we in the business call 'really awful writing.'" "But how shall I absolve this dilemma? I have already read every tome available on how to write well and get published!" The writer tossed his head about, wildly. "It might help," opined the blonde editor, helpfully, "to ponder how NOT to write a novel, so you might avoid the very thing!" Many writing books offer sound advice on how to write well. This is not one of those books. On the contrary, this is a collection of terrible, awkward, and laughably unreadable excerpts that will teach you what to avoid!at all costs!if you ever want your novel published. In How Not to Write a Novel, authors Howard Mittelmark and Sandra Newman distill their 30 years combined experience in teaching, editing, writing, and reviewing fiction to bring you real advice from the other side of the query letter. Rather than telling you how or what to write, they identify the 200 most common mistakes unconsciously made by writers and teach you to recognize, avoid, and amend them. With hilarious "mis-examples" to demonstrate each manuscript-mangling error, they'll help you troubleshoot your beginnings and endings, bad guys, love interests, style, jokes, perspective, voice, and more. As funny as it is useful, this essential how-NOT-to guide will help you get your manuscript out of the slush pile and into the bookstore.

Empower Your Writing Through Craft and Community! Writing can be a lonely profession plagued by blind stumbles, writer's block, and despair—but it doesn't have to be. A wryly whimsical culinary parody of E. L. James' Fifty Shades trilogy combines epicurean double entendres, 50 chicken recipes and the story of a young free-range chicken who finds herself at the mercy of a kinky and dominating chef, in a parody that includes such dishes as "Sticky (Chicken) Fingers" and "Bound Wings."

Young, arrogant tycoon Earl Grey seduces the naïve coed Anna Steal with his overpowering good looks and staggering amounts of money, but will she be able to get past his fifty shames, including shopping at Walmart on Saturdays, bondage with handcuffs, and his love of BDSM (Bards, Dragons, Sorcery, and Magick)? Or will his dark secrets and constant smirking drive her over the edge?

Pink is the new Grey. Irreverent, poignant, true. This book celebrates the joy and humor of parenthood. The bestselling trilogy instigated a boom of "Fifty Shades" babies. And it turns out, True Love doesn't look quite like you expected. 50-page, full-color, illustrated Seussian book for parents. Like Adam Mansbach's "Go the F**k to Sleep," it's a reality check for new parents. A must-read if reading the E L James trilogy made you a mom. Great baby shower gift. Great Mother's Day gift.
