King Arthur, also called Arthur or Arthur Pendragon, legendary British king who appears in a cycle of medieval romances (known as the Matter of Britain) as the sovereign of a knightly fellowship of the Round Table. It is not certain how these legends originated or whether the figure of Arthur was based on a historical person.

Based on astounding new research, the author of Finding Merlin reveals the true history of King Arthur

The legend of King Arthur has been told and retold for centuries. As the king who united a nation, his is the story of England itself. But what if Arthur wasn't English at all? As writer and Arthurian scholar Adam Ardrey discovered, the reason historians have had little success identifying the historical Arthur may be incredibly simple: He wasn't an Englishman. He was from Scotland. Finding Arthur chronicles Ardrey's unlikely quest to uncover the secret of Scotland's

greatest king and conqueror, which has been hiding in plain sight for centuries. His research began as a simple exploration of a notable Scottish clan, but it quickly became clear that many of the familiar symbols of Arthurian legend—The Round Table, the Sword in the Stone, the Lady of the Lake—are based on very real and still accessible places in the Scottish Highlands.

The roadmap for finding purpose, meaning, and success as we age, from bestselling author, Harvard professor, and the Atlantic's happiness columnist Arthur Brooks. Many of us assume that the more successful we are, the less susceptible we become to

the sense of professional and social irrelevance that often accompanies aging. But the truth is, the greater our achievements and our attachment to them, the more we notice our decline, and the more painful it is when it occurs. What can we do, starting now, to make our older years a time of happiness, purpose, and yes, success? At the height of his career at the age of 50, Arthur Brooks embarked on a seven-year journey to discover how to transform his future from one of disappointment over waning abilities into an opportunity for progress. From Strength to Strength is the result, a practical roadmap for the rest of your life. Drawing on social science, philosophy, biography, theology, and eastern wisdom, as well as dozens of

interviews with everyday men and women, Brooks shows us that true life success is well within our reach. By refocusing on certain priorities and habits that anyone can learn, such as deep wisdom, detachment from empty rewards, connection and service to others, and spiritual progress, we can set ourselves up for increased happiness. Read this book and you, too, can go from strength to strength.

The epic true story of one man, a dog, and how they found each other As seen on an ESPN SC Featured documentary When you're racing 435 miles through the jungles and mountains of South America, the last thing you need is a stray dog tagging along. But that's

exactly what happened to Mikael Lindnord, captain of a Swedish adventure racing team, when he threw a scruffy but dignified mongrel a meatball one afternoon. When the team left the next day, the dog followed. Try as they might, they couldn't lose him—and soon Mikael realized that he didn't want to. Crossing rivers, battling illness and injury, and struggling through some of the toughest terrain on the planet, the team and the dog walked together toward the finish line, where Mikael decided he would save the dog, now named Arthur, and bring him back to his family in Sweden, whatever it took. In compelling prose, illustrated with candid photographs, Arthur provides a testament to the amazing bond

between dogs and people.

Arthur led the Britons to the brink of victory but was cut down by treachery and betrayal. Arthurian legends have since been corrupted, leading to popular but false assumptions about the king and the belief that his grave could never be found. Drawing on a vast range of sources and new translations of early British and Gaelic poetry, Arthur explodes these myths and exposes the shocking truth. In this, the first full biography of Arthur, Simon Andrew Stirling provides a range of proofs that Artuir mac Aedain was the original King Arthur; he identifies the original Camelot, the site of Arthur's last battle and his

forest, a mortal man changed history. Arthur, born into a dark world of savage violence, united the Britons against their enemies at the battle of Mount Badon. For centuries, Britons shared Arthur's story around their campfires. Eventually, the story passed out of the Dark Ages and into modern literature. Follow Arthur, his wife Guinevere, and the knights of the Round Table as the story evolves from a world of warlords and bloodshed into a kingdom of mythical medieval knights, sorcerers, love, and ultimately, betrayal.

A prominent scholar explores King Arthur's historical development, proposing that he began as a fictional

character developed in the ninth century According to legend, King Arthur saved Britain from the Saxons and reigned over it gloriously sometime around A.D. 500. Whether or not there was a “real” King Arthur has all too often been neglected by scholars; most period specialists today declare themselves agnostic on this important matter. In this erudite volume, Nick Higham sets out to solve the puzzle, drawing on his original research and expertise to determine precisely when, and why, the legend began. Higham surveys all the major attempts to prove the origins of Arthur, weighing up and debunking hitherto claimed connections with classical Greece, Roman Dalmatia, Sarmatia, and the Caucasus. He then explores

Read Free Finding Arthur

Arthur's emergence in Wales—up to his rise to fame at the hands of Geoffrey of Monmouth. Certain to arouse heated debate among those committed to defending any particular Arthur, Higham's book is an essential study for anyone seeking to understand how Arthur's story began.

No description available.

This book explores a part of the King Arthur story often ignored - his exploits on the continent. By reexamining the evidence, Howell challenges convention and offers a compelling argument that connects the legend with a real historical event
