Praise for the Fifth Edition of *The Responsible Administrator* "Cooper's fifth edition is the definitive text for students and practitioners who want to have a successful administrative career. Moral reasoning, as Cooper so adeptly points out, is essential in today's rapidly changing and complex global environment."—Donald C. Menzel, president, American Society for Public Administration, and professor emeritus, public administration, Northern Illinois University "The *Responsible Administrator* is at once the most sophisticated and the most practical book available on public sector ethics. It is conceptually clear and jargon-free, which is extraordinary among books on administrative ethics."—H. George Frederickson, Stone Distinguished Professor of Public Administration, University of Kansas "Remarkably effective in linking the science of what should be done with a prescriptive for how to actually do it, the fifth edition of Cooper's book keeps pace with the dynamic changes in the field, both for those who study it and those who practice it. The information presented in these pages can be found nowhere else, and it is information we cannot ethically afford to ignore."—Carole L. Jurkiewicz, John W. Dupuy Endowed Professor, and Woman's Hospital Distinguished Professor of Healthcare Management, Louisiana State University, E. J. Ourso College of Business Administration, Public Administration Institute
