A Michael L. Printz Honor Book Troy Billings is seventeen, 296 pounds, friendless, utterly miserable, and about to step off a New York subway platform in front of an oncoming train. Until he meets Curt MacCrae, an emaciated, semi-homeless, high school dropout guitar genius, the stuff of which Lower East Side punk rock legends are made. Never mind that Troy's dad thinks Curt's a drug addict and Troy's brother thinks Troy's the biggest (literally) loser in Manhattan. Soon, Curt's recruited Troy as his new drummer—even though Troy can't play the drums. Together, Curt and Troy will change the world of punk, and Troy's own life, forever. An award-winning writer and playwright hits the open road for a searing novel-in-letters about a street kid on a highstakes trek across America. For a runaway boy who goes by the name "Punkzilla," kicking a meth habit and a life of petty crime in Portland, Oregon, is a prelude to a mission: reconnecting with his older brother, a gay man dying of cancer in Memphis. Against a backdrop of seedy motels, dicey bus stations, and hitched rides, the desperate fourteen-year-old meets a colorful, sometimes dangerous cast of characters. And in letters to his sibling, he catalogs them all -- from an abusive stranger and a ghostly girl to a kind transsexual and an old woman with an oozing eye. The language is raw and revealing, crackling with visceral details and dark humor, yet with each interstate exit Punkzilla's journey grows more urgent: will he make it to Tennessee in time? This daring novel offers a narrative worthy of Kerouac and a keen insight into the power of chance encounters.

Twelve-year old Jason is accused of the brutal murder of a young girl. Is he innocent or guilty? The shocked town calls on an interrogator with a stellar reputation: he always gets a confession. After a last-minute hotel switch, no one, not even Dan's wife, knew where he was staying while in Haiti. Trapped in total darkness for nearly three days, with a broken foot, his leg ripped open and a head injury, Dan battled despair, dehydration, anger with God and doubt over whether he would live to see his wife and two young sons again. Woolley had allowed his faith and marriage to weaken in the busyness of life. His entrapment forced him to think about what really mattered. *Unshaken* includes color photographs and the heartrending reflections from Woolley's wife. Readers will learn new truths from Woolley's themes of spiritual and marital renewal, his key insights into poverty through Compassion International, and his hard-won reminder to embrace every opportunity God gives.

The appearance of a mysterious teen leads to tragedy on a small fishing island in this “taut, provocative novel . . . [that] crackles with suspense” (Publishers Weekly). The close-knit residents of Hackett Island have never seen anyone quite like Lani Garver. Everything about this new kid is a mystery: Where does Lani come from? How old is Lani? And most disturbing of all, is Lani a boy or a girl? Popular Claire McKenzie isn't up to tormenting Lani with the rest of the high school elite. Instead, she decides to befriend the intriguing outcast. But within days of Lani's arrival, tragedy strikes, and Claire is left questioning herself, her friendships, and, most interesting of all, the possibility that angels may exist on earth. “Gripping.”—YM Magazine “Prejudice, homophobia, friendship, tolerance, individuality, and the possibility that something spiritually bigger than all of us rules this universe are wonderfully woven into this powerfully told story. Outstanding writing, strong characterization, and riveting plot development make this title rise above many recent coming-of-age stories.”—School Library Journal “The characterizations are superb . . . The hint of supernatural only adds to the appeal. Successfully raising many valid issues, this should appeal to teens from the popular to the marginalized.”—Kirkus Reviews “Lani's androgyny and his angelic possibilities are intriguingly played out.”—Booklist
