~~Foul Play Excerpt—Janet Evanovich—~~

I really enjoyed reading "Foul Play" by Janet Evanovich. This is one of her very early books written for a serial romance publisher in the late 80s/early 90s, and it's very well done for what it is. Evanovich describes these early books as "red-hot screwball comedies" and while I do agree with the screwball comedy, "Foul Play" was very much G-rated.

She's been called "side-splittingly funny" (Publishers Weekly), "a blast of fresh air" (Washington Post), and "a winner" (Glamour). She is, of course, Janet Evanovich, the award-winning, #1 New York Times bestselling author of the Stephanie Plum mystery series. Now available for the first time in more than a decade comes *Love Overboard*, the hilarious story of a sinfully handsome schooner captain and the spirited woman who agrees to work on his cruise ship. It's a classic novel of comic mayhem from the incomparable Janet Evanovich.

Single mom Lizabeth Kane isn't exactly carpenter material -- she's never picked up a hammer in her life. But she desperately needs the construction job that builder Matt Hallahan is offering. And even though he knows trouble is ahead, Matt can't refuse Lizbeth's irresistible smile. Matt Hallahan isn't exactly relationship material -- he has always been too busy working on other people's houses to make a home of his own. And even though she knows better, Lizabeth can't stop thinking about the rugged carpenter. Is the relationship Matt and Lizabeth are building solid -- or more like a house of cards?

Number one bestselling author Janet Evanovich teams up with award-winning author Dorien Kelly to deliver a sparkling novel of romantic suspense, small-town antics, secretive sabotage, and lots and lots of beer. Kate Appleton needs a job. Her husband has left her, she's been fired from her position as a magazine editor, and the only place she wants to go is to her parents' summer house, The Nutshell, in Keene's Harbor, Michigan. Kate's plan is to turn The Nutshell into a Bed and Breakfast. Problem is, she needs cash, and the only job she can land is less than savory. Matt Culhane wants Kate to spy on his brewery employees. Someone has been sabotaging his company, and Kate is just new enough in town that she can insert herself into Culhane's business and snoop around for him. If Kate finds the culprit, Matt will pay her a \$20,000 bonus. Needless to say, Kate is highly motivated. But several problems present themselves. Kate despises beer. No one seems to trust her. And she is falling hard for her boss. Can these two smoke out a saboteur, save Kate's family home, and keep a killer from closing in...all while resisting their undeniable attraction to one another? Filled with humor, heart, and loveable characters, *Love in a Nutshell* is delicious fun.

#1 NEW YORK TIMES BESTSELLER • In the heart of Trenton, N.J., a killer is out to make sure someone gets his just desserts. Larry Virgil skipped out on his latest court date after he was arrested for hijacking an eighteen-wheeler full of premium bourbon. Fortunately for bounty hunter Stephanie Plum, Larry is just stupid enough to attempt almost the exact same crime again. Only this time he flees the scene, leaving behind a freezer truck loaded with Bogart ice cream and a dead body—frozen solid and covered in chocolate and chopped pecans. As fate would have it, Stephanie 's mentor and occasional employer, Ranger, needs her to go undercover at the Bogart factory to find out who 's putting their employees on ice and sabotaging the business. It 's going to be hard for Stephanie to keep her hands off all that ice cream, and even harder for her to keep her hands off Ranger. It 's also going to be hard to explain to Trenton 's hottest cop, Joe Morelli, why she is spending late nights with Ranger, late nights with Lula and Randy Briggs—who are naked and afraid—and late nights keeping tabs on Grandma Mazur and her new fella. Stephanie Plum has a lot on her plate, but for a girl who claims to have “ virtually no marketable skills, ” these are the kinds of sweet assignments she does best.

Dear Reader: In a previous life, before the time of Plum, I wrote twelve short romance novels.

Red-hot screwball comedies, each and every one of them. Nine of these stories were originally published by the Loveswept line between the years 1988 and 1992. All immediately went out of print and could be found only at used bookstores and yard sales. I'm excited to tell you that those nine stories are now being re-released by HarperCollins. Naughty Neighbor is the eighth in the lineup, and it's presented here in almost original form. Usually when I edit these books I do some modernizing. For instance, I change VHS to DVD, and roller skates to Rollerblades, and sticks of gum are now pieces of gum. I do this because the books were meant to be contemporary (as opposed to historical), and I don't want the reader to have a time disconnect. In the beginning of the original Naughty Neighbor, my heroine throws a handheld phone into the toilet, and the next morning she goes into the bathroom and sees the "slim silver antenna caught between the toilet lid and seat." Okay, so most phones don't have extended antennas anymore, but I just loved the image . . . so I left it in. And I don't know how many women wear front-closure bras anymore, but that got left in, too. Naughty Neighbor is probably the most romancey of all the Loveswepts I wrote, but there's still a small mystery to unravel. Louisa Brannigan is a no-nonsense, hardworking press secretary, fighting her way to the top of Capitol Hill, with no help from her annoying neighbor, Pete Streeter. He receives phone calls all night long, he steals her morning paper, he thinks jeans are formal wear, and worst of all he's involved Louisa in the disappearance of a pig. So this is the story of a pig in Witness Protection and love being found by a workaholic woman and a fun-loving man who makes terrible pots of coffee. Enjoy! Janet Evanovich
