For a novel about creating life, Frankenstein doesn't talk much about religion. Here, though, we get a glimpse of an alternative moral structure: Christianity, which is all about turning the other cheek and avoiding revenge. Would the novel have turned out differently if Victor had listened? Chapter 16

Frankenstein; or, The Modern Prometheus is a novel written by the British author Mary Shelley. The first edition was published anonymously in London in 1818, and Shelley's name appeared on the revised third edition, published in 1831. The title of the novel refers to the scientist, Victor Frankenstein, who learns how to create life and creates a being in the likeness of man, but larger than average and more powerful. In modern popular culture, people have tended to refer to the Creature as "Frankenstein" (especially in films since 1931), despite this being the name of the scientist, and the creature being unnamed in the book itself. Frankenstein is a novel infused with elements of the Gothic novel and the Romantic movement. It was also a warning against the "over-reaching" of modern man and the Industrial Revolution, alluded to in the novel's subtitle, The Modern Prometheus. The story has had an influence across literature and popular culture and spawned a complete genre of horror stories and films. It is arguably considered the first fully-realised science fiction novel and raises many issues still relevant to today's society.

In the CliffsComplete guides, the novel's complete text and a glossary appear side-by-side with coordinating numbered lines to help you understand unusual words and phrasing. You'll also find all the commentary and resources of a standard CliffsNotes for Literature. CliffsComplete Frankenstein is certainly Mary Shelley ' s greatest literary achievement and one of the most complex literary works of all time. Unlike most Romantic writers, Mary Shelley seems interested in the dark, self-destructive side of human reality and the human soul. Discover how Dr. Frankenstein ' s creation impacts everyone he meets — and save yourself valuable studying time — all at once. Enhance your reading of Frankenstein with these additional features: A summary and insightful commentary for each chapter Bibliography and historical background on the author, Mary Shelley A look at the historical context and structure of the

“ Both timely and terrifying. ” —Gregory Macguire, *New York Times* – bestselling author of *Wicked*
Pairing free verse with over three hundred pages of black-and-white watercolor illustrations, *Mary ’ s Monster* is a unique and stunning biography of Mary Shelley, the pregnant teenage runaway who became one of the greatest authors of all time. Legend is correct that Mary Shelley began penning *Frankenstein* in answer to a dare to write a ghost story. What most people don't know, however, is that the seeds of her novel had been planted long before that night. By age nineteen, she had been disowned by her family, was living in scandal with a married man, and had lost her baby daughter just days after her birth. Mary poured her grief, pain, and passion into the powerful book still revered two hundred years later, and in *Mary's Monster*, author/illustrator Lita Judge has poured her own passion into a gorgeous book that pays tribute to the life of this incredible author. A 2019 NCSS-CBC Notable Social Studies Trade Book A 2019 Amelia Bloomer Project Book This title has Common Core connections.

A 2018 New York Times/New York Public Library Best Illustrated Children's Books On the bicentennial of Frankenstein, join Mary Shelley on the night she created the most frightening monster the world has ever seen. On a stormy night two hundred years ago, a young woman sat in a dark house and dreamed of her life as a writer. She longed to follow the path her own mother, Mary Wollstonecraft, had started down, but young Mary Shelley had yet to be inspired. As the night wore on, Mary grew more anxious. The next day was the deadline that her friend, the poet Lord Byron, had set for writing the best ghost story. After much talk of science and the secrets of life, Mary had gone to bed exhausted and frustrated that nothing she could think of was scary enough. But as she drifted off to sleep, she dreamed of a man that was not a man. He was a monster. This fascinating story gives readers insight into the tale behind one of the world's most celebrated novels and the creation of an indelible figure that is recognizable to readers of all ages. "Eye-catching artwork and engaging storytelling give this biography of a fascinating woman even more appeal."--Booklist

twisted psychological thriller. Sometimes the only thing to fear...is yourself. When reclusive writer Leonora is invited to the English countryside for a weekend away, she reluctantly agrees to make the trip. But as the first night falls, revelations unfold among friends old and new, an unnerving memory shatters Leonora's reserve, and a haunting realization creeps in: the party is not alone in the woods.

“ Clearly Francis Gilbert is a gifted and charismatic teacher, ” Philip Pullman, author of 'Northern Lights'. Are you struggling to understand Robert Louis Stevenson's classic novel 'Dr Jekyll and Mr Hyde'? Or are you an English teacher wanting ready-made exercises and guidance to help you teach this difficult text? Do your students need support to understand the language properly and work independently on the book? This brilliant edition of Stevenson's novel may be the answer to your prayers. Written by an experienced teacher and best-selling author, this version is aimed at students who must analyse the text in depth or teachers wanting to deliver outstanding lessons on it. This book contains an annotated complete text, numerous essays on the novel, including detailed accounts of Robert Louis Stevenson's life, relevant contexts and discussion of vital themes and imagery. The complex vocabulary of the book is analysed throughout, and simple explanations of what is happening punctuate each chapter. Furthermore, there are academic explorations of the issues as well as comprehensive question and answer sections at the end of each chapter, including a “ fill-in-the-blanks ” summary to check understanding. At the end of the guide, there is advice on how to write successful essays and assignments. There are also plenty of pointers to help students develop their own personal responses, including thought-provoking thematic questions, links to the author's YouTube
