From the New York Times bestselling series with nearly two million books sold worldwide comes the second sizzling book in the seductive Royals Saga. Secrets tore them apart. Can love set them free? Broken-hearted and alone, Clara tries to move on after her final night with Alexander. She throws herself into work, exercise, and anything that might help her forget their torrid love affair. But Alexander isn't a man who gives up easily, and when he finally shows her how he feels, she wants to believe they can make their relationship work. But they both have secrets and when the darkness of their past threatens their fragile arrangement, nothing will ever be the same.

It was August 25, 2006, my first on-camera studio open for the CBS News broadcast 60 Minutes. Executive Producer Jeff Fager poked his head in the dressing room." Good luck, Brotha! You've come a long way to get here. You've earned it." ...If only he knew. My mind flashed back to elementary school, when a therapist had informed my mother, "I'm sorry, Mrs. Pitts, your son cannot read." In Step Out on Nothing, Byron Pitts chronicles his astonishing story of overcoming a childhood filled with obstacles to achieve enormous success in life. Throughout Byron's difficult youth—his parents separated when he was twelve and his mother worked two jobs to make ends meet—he suffered from a debilitating stutter. But Byron was keeping an even more embarrassing secret: He was also functionally illiterate. For a kid from inner-city Baltimore, it was a recipe for failure. Pitts turned struggle into strength and overcame both of his impediments. Along the way, a few key people "stepped out on nothing" to make a difference for him—from his mother, who worked tirelessly to raise her kids right and delivered ample amounts of tough love, to his college roommate, who helped Byron practice his vocabulary and speech. Pitts even learns from those who didn't believe in him, like the college professor who labeled him a failure and told him to drop out of college. Through it all, he persevered, following his steadfast passion. After fifteen years in local television, he landed a job as a correspondent for CBS News in 1998, and went on to become an Emmy Award-winning journalist and a contributing correspondent for 60 Minutes. Not bad for a kid who couldn't read. From a challenged youth to a reporting career that has covered 9/11 and Iraq, Pitts's triumphant and uplifting story will resonate with anyone who has felt like giving up in the face of seemingly insurmountable hardships.

Submissive Desires relates the tale of Simon and Maura, and the awakening of a fully-realized D/S relationship. Simon is an ex-Navy Seal and he knows what he wants when he finally finds it, and Maura is it. The problem is that Maura "thinks" she's submissive, but all she's ever done is play with it. Simon is the real thing. This is an extremely explicit story, with strong BDSM themes.

At some point in their lives, 80% of Americans will seek expert help for back pain. It's an epidemic, with a cost to society in medical expenses and lost productivity that is steeper than heart disease. But remember the 80% figure—that's the astonishing cure rate at Dr. Jeremy James's Aspen Club Back Institute. A Doctor of Chiropractic who took that path because of his own severe injury-induced back pain, he has developed a revolutionary behavioral/whole-body approach to help sufferers heal—and often eliminate—back pain forever. Co-written with Chris Crowley, The Younger Next Year Back Book follows the alternating chapter format of the #1 New York Times bestselling Younger Next Year and other books in the series. And just as millions of readers positively changed their lives following Harry's Rules in Younger Next Year, the millions of back pain sufferers can find relief following Jeremy's rules, including Stop Doing Dumb Stuff, Be Still So You Can Heal, and Stand Tall for the Long Haul. He explains the workings of the spine and muscles, and then why back pain is almost never a disease, per se, but the result of behavior. He then shows how to change our behavior, find a neutral spine, and begin a regimen of simple exercises—with step-by-step two-color illustrations—to realign our core to virtually eliminate back pain forever. Chris Crowley, in his been-there-done-that-and-you-can-too-damnit! voice, provides all the motivation and patient perspective we need.

Old-school divide-and-conquer tactics—demonizing opponents, frightening voters, refusing to compromise—may make us feel good about the purity of our ideals, but it's no way to get anything done. Worse, this approach betrays some of the most cherished ideals of the progressive movement: inclusion, reason, justice, and hope. Illuminated by examples from her own work and a host of campaigns across the country, Kyrsten Sinema shows how to forge connections—both personal and political—with seemingly unlikely allies and define our values, interests, and objectives in ways that broaden our range of potential partners and expand our tactical options. With irreverent humor, enthralling campaign stories, and solid, practical advice, Sinema enables us to move past "politics as war" and build support for progressive causes on the foundation of our common humanity.

From the irreverent mind of Josh Mecouch, the artist behind the wildly popular Instagram (@pantspants) and Twitter account, @Pants, a collection of affirmations perfect for anyone ready to pass through the portal of self-improvement. Conquer the Day is a collection of affirmations for all those on the long, winding road of personal development. Under the Twitter (@pantspants) and Instagram handle @PantsPants, Josh Mecouch has a large following who delight in his bizarre and unique illustrations. Now, Conquer the Day invites fans into the larger Pants universe, introducing new characters and never-before-seen art. Pairing encouraging affirmations with emotive black-and-white illustrations—highlighted with the occasional splash of color—Josh takes us on a journey into the world of self-improvement. The contrast between the positive affirmations and the visceral style of the illustrations point to the tension between our hopes and aspirations and the reality of our day-to-day lives as we strive to realize our best selves. Unlock the power of affirmations: I exhale weakness and inhale confidence. I am sexy and people want to be around me. My path to success is inevitable. I focus on what I can control. I organize my socks.
