Our customers experiences with New Wash. ☺ get questions all the time about what products I use on my hair; I've gotten them more and more now than I ever have before. Using a very moisturizing (product) like Hairstory New Wash, I don't have to deal with the frizz at all. I wash my hair with New Wash and as it's wet, I run the Hair Balm through it.

I'm not saying all hair dye is toxic, though, especially if you find a formula that's free of ammonia and p-phenylenediamine (PPD)☺i.e., known irritations that can f*ck with your skin, hair, and ...

With rhythmic, rhyming verse, this picture book follows two girls—one non-Black Puerto Rican, one Black—as they discover the stories their hair can tell. Preciosa has hair that won't stay straight, won't be confined. Rudine's hair resists rollers, flat irons, and rules. Together, the girls play hair salon! They take inspiration from their moms, their neighbors, their ancestors, and cultural icons. They discover that their hair holds roots of the past and threads of the future. With rhythmic, rhyming verse and vibrant collage art, author NoNieqa Ramos and illustrator Keisha Morris follow two girls as they discover the stories hair can tell.

A young girl finds joy and beauty in her unique hair and encourages readers to celebrate their own locks.

Two world wars, the Civil Rights movement, and a Jheri curl later, Blacks in America continue to have a complex and convoluted relationship with their hair. From the antebellum practice of shaving the head in an attempt to pass as a “free” person to the 1998 uproar over a White third-grade teacher’s reading of the book Nappy Hair, the issues surrounding African American hair continue to linger as we enter the twenty-first century. Hair Story is a historical and anecdotal exploration of Black Americans’ tangled hair roots. A chronological look at the culture and politics behind the ever-changing state of Black hair from fifteenth-century Africa to the present-day United States, it ties the personal to the political and the popular. Read about:
• Why Black American slaves used items like axle grease and eel skin to straighten their hair.
• How a Mexican chemist straightened Black hair using his formula for turning sheep’s wool into a minklike fur.
• How the Afro evolved from militant style to mainstream fashion trend.
• What prompted the creation of the Jheri curl and the popular style’s fall from grace.
• The story behind Bo Diddley’s controversial crowns and the range of reactions they garnered.
Major figures in the history of Black hair are presented, from early hair-care entrepreneurs Ammie Tumbo Malone and Madam C. J. Walker to unintended hair heroes like Angela Davis and Bob Marley. Celebrities, stylists, and cultural critics weigh in on the burgeoning sociopolitical issues surrounding Black hair, from the historically loaded terms “good” and “bad” hair, to Black hair in the workplace, to mainstream society’s misrepresentation and misunderstanding of kinky locks. Hair Story is the book that Black Americans can use as a benchmark for tracing a unique aspect of their history, and it’s a book that people of all races will celebrate as the reference guide for understanding Black hair.

A humorous but informative chronicle of black hair in America looks back at the styles, myths, and grooming techniques adopted by African Americans throughout their history. Reprint.

LET'S SHARE A HAIR STORY is a multicultural children's picture book with adorable illustrations and rhyme, featuring people of color pursuing different professions and passions - all with big smiles and so many styles! A HAIR STORY is written in honor of kids of color (both girls and boys!) whose beauty and pride deserve to be honored and explored. It's about hair, but it's also about so much more? It's about knowing you have choices. It's about loving yourself and others. It's about dreaming and believing that you can do anything!

TEACHING SELF LOVE THROUGH REPRESENTATION? - My Hair is based on the author's personal battle with loving her hair. The story follows an 8-year-old girl who admires her natural hair. She reflects on the things her hair resembles and significant? figures? who have hairs like hers. "My Hair" teaches other children with curly, kinky or natural hair? to LOVE and embrace it.

Bald in the Land of Big Hair is the hilarious-and often heartbreaking-tale of Joni Rodgers's journey through the badlands of cancer told with humor, occasional anger, and unflinching honesty. More than just a cancer book, this is a deeply affecting memoir of one woman's struggle to come to terms with everything that life throws her way. Ultimately, this is a moving celebration of the true meaning of human triumph and courage, the importance of community and the imperative of living everyday with joy.

Hairnalgans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreucus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sitalbs series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black fiction, black books, African American women's fiction, or black women's fiction section in most physical bookstores.

"A little girl's daddy steps in to help her arrange her curly, coiling, wild hair into styles that allow her to be her natural, beautiful self"—OCLC.

Join Nancy in this comical and endearing addition to the Fancy Nancy I Can Read series, from the beloved New York Times bestselling author-illustrator team Jane O'Connor and Robin Preiss Glasser. Picture Day is just about the most important day of the year, and Nancy has her outfit all figured out. That leaves only one thing/picking a hairstyle! Nancy considers the options. Pigtails? A bun? Long and loose? Then Nancy gets a brain wave, and she reaches for the scissors. . . . Fancy Nancy: Hair Dos and Hair Don'ts is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences. The back matter features a list of the rich vocabulary words that are used throughout the story along with their definition.
