The Payroll Book is the only book that demystifies payroll with clear, concise, and real-world examples on how to tackle the process. "The Payroll Book will be a valuable resource for the small business owner as well as for the entrepreneur planning a new venture. Thorough, well-organized, and thoughtfully written, this practical guide is an essential tool for managing the payroll process." —Marilyn K. Wiley, Dean, College of Business, University of North Texas "Failing to comply with the withholding, tax remittance, and report filing requirements in handling business payroll carries a high cost. Charles' book will guide entrepreneurs through the minefields of payroll processing and reporting in language that business owners can understand. Whether you already own or are planning to start your own business, The Payroll Book is an essential tool." —James A. Smith, Past President and Chairman, Texas Society of CPAs "If accounting is something you have not paid keen attention to in your startup, then this book can demystify the whole thing for you and then some! Logically set-up and highly practical in its approach! I highly recommend this book for any startup, entrepreneur, and, frankly, anyone thinking about starting a business. That said, if you already started a business it's just as important—this is a must-read!" —Hubert Zajicek, CEO, Co-founder and Partner, Health Wildcatters "Wow! This is the most comprehensive book of its kind. I have worked in payroll for over 25 years, and I would recommend this book as a reference to anyone who has a hand in payroll. From the novice just entering the field to the seasoned veteran, there is something in this book for everyone." —Romeo Chicco, President, PayMaster

Operating Agreements. Bylaws. Director and Member Resolutions, Proxies, and More. This expanded and updated 2014 edition includes 400 pages of practical advice for small business attorneys.

Are you looking for an alternative to a career path at a big firm? Does founding your own start-up seem too risky? There is a radical third path open to you: You can buy a small business and run it as CEO. Purchasing a small company offers significant financial rewards—as well as personal and professional fulfillment. Leading a firm means you can be your own boss, put your executive skills to work, fashion a company environment that meets your own needs, and profit directly from your success. But finding the right business to buy and closing the deal isn't always easy. In the HBR Guide to Buying a Small Business, Harvard Business School professors Richard Ruback and Royce Yudkoff help you: Determine if this path is right for you Raise capital for your acquisition Find and evaluate the right prospects Avoid the pitfalls that could derail your search Understand why a "dull" business might be the best investment Negotiate a potential deal with the seller Avoid deals that fall through at the last minute

Spurred by President Obama, the Small Business Association has stepped up its loan program to companies around the nation. But to receive an SBA-guaranteed loan, firms must navigate a complex course of processes, qualifications, documentation, and approvals. You need this new edition of Charles Green's invaluable book to chart the best way to apply for and get an SBA loan. Green wastes no time in showing: Why an SBA loan guarantee is a good option in tough economic times How to choose the right bank at a time when many banks have failed and credit is tight What the new rules and regulations say about the paperwork and documentation loan applicants must supply In today's turbulent economic climate, solid financial backing is the key to small business survival. And this fully updated guide to SBA loans will help you land it.

J.K. Lasser's Small Business Taxes 2022 helps small business owners maximize their bottom line with straightforward, yet comprehensive guidance from the most trusted name in tax. Featuring a complete listing of all available business expense deductions, including dollar limits and record-keeping requirements, this book helps you quickly determine what kind of tax relief is available to you, and how to take it--all the way down to where to claim deductions on the forms themselves. Tax facts, strategies, and the latest up-to-date information help ensure that you don't miss out on money-saving opportunities, and sample forms and checklists help you get organized and submit a complete and proper filing. It will include important information that the American Rescue Plan Act (ARPA) and the Consolidated Appropriations Act, 2021 (CAA) have on tax filings.

Taxes for Small Businesses, Simplified A business that neglects its taxes is a business living on borrowed time. But there's no need to despair. Getting your business on the right side of its tax burden
