A Taiwanese-American rebel restaurateur chronicles his rise to success from his difficult childhood in the American South to his decision to embrace all he had learned about food in his father's restaurants and his mother's kitchen to create his own culinary identity.

NOW AN ORIGINAL SERIES ON ABC • “ Just may be the best new comedy of [the year] . . . based on restaurateur Eddie Huang ’ s memoir of the same name . . . [a] classic fresh-out-of-water comedy. ” —People “ Bawdy and frequently hilarious . . . a surprisingly sophisticated memoir about race and assimilation in America . . . as much James Baldwin and Jay-Z as Amy Tan . . . rowdy [and] vital . . . It ’ s a book about fitting in by not fitting in at all. ” —Dwight Garner, The New York Times NATIONAL BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS Assimilating ain ’ t easy. Eddie Huang was raised by a wild family of FOB ( “ fresh off the boat ” ) immigrants—his father a cocksure restaurateur with a dark past back in Taiwan, his mother a fierce protector and constant threat. Young Eddie tried his hand at everything mainstream America threw his way, from white Jesus to macaroni and cheese, but finally found his home as leader of a rainbow coalition of lost boys up to no good: skate punks, dealers, hip-hop junkies, and sneaker freaks. This is the story of a Chinese-American kid in a could-be-anywhere cul-de-sac blazing his way through America ’ s deviant subcultures, trying to find himself, ten thousand miles from his legacy and anchored only by his conflicted love for his family and his passion for food. Funny, moving, and stylistically inventive, Fresh Off the Boat is more than a radical reimagining of the immigrant memoir—it ’ s the exhilarating story of every American outsider who finds his destiny in the margins. Praise for Fresh Off the Boat “ Brash and funny . . . outrageous, courageous, moving, ironic and true. ” —New York Times Book Review “ Mercilessly funny and provocative, Fresh Off the Boat is also a serious piece of work. Eddie Huang is hunting nothing less than Big Game here. He does everything with style. ” —Anthony Bourdain “ Uproariously funny . . . emotionally honest. ” —Chicago Tribune “ Huang is a fearless raconteur. [His] writing is at once hilarious and provocative; his incisive wit pulls through like a perfect plate of dan dan noodles. ” —Interview “ Although writing a memoir is an audacious act for a thirty-year-old, it is not nearly as audacious as some of the things Huang did and survived even earlier. . . . Whatever he ends up doing, you can be sure it won ’ t look or sound like anything that ’ s come before. A single, kinetic passage from Fresh Off the Boat . . . is all you need to get that straight. ” —Bookforum

## Download Ebook Fresh Off The Boat A Memoir Eddie Huang

A Taiwanese-American rebel restaurateur chronicles his rise to success from his difficult childhood in the American South to his turn as a drug dealer who embraced rap culture and more.

Dear Peaches, America is PERFECT! I love it here. I wish you could come visit -- we could go shopping on Market Street and you could meet all my new friends. . . . Okay, so Vicenza isn't being totally honest with Peaches, her best friend back in Manila. But what fun is it being the new girl at snooty Grosvernor High? Or rooting through the Salvation Army for unholley cashmere sweaters? Or having culture-shocked, embarrassingly clueless parents? Maybe being Claude Caligari's ignored geometry partner is sort of fun, but Vicenza would rather be his girlfriend . . . or at least his date to the annual fancy-schmancy Soir é e d'Hiver. But Vicenza won't be friendless, fashionless, or "fresh off the boat" for long -- it's only a matter of time before she sees what's right before her eyes and her luck begins to change.

From the author of *Fresh Off the Boat*, now a hit ABC sitcom, comes a hilarious and fiercely original story of culture, family, love, and red-cooked pork Eddie Huang was finally happy. Sort of. He ' d written a bestselling book and was the star of a TV show that took him to far-flung places around the globe. His New York City restaurant was humming, his OKCupid hand was strong, and he ' d even hung fresh Ralph Lauren curtains to create the illusion of a bedroom in the tiny apartment he shared with his younger brother Evan, who ran their restaurant business. Then he fell in love—and everything fell apart. The business was creating tension within the family; his life as a media star took him away from his first passion—food; and the woman he loved—an All-American white girl—made him wonder: How Chinese am I? The only way to find out, he decided, was to reverse his parents ' migration and head back to the motherland. On a quest to heal his family, reconnect with his culture, and figure out whether he should marry his American girl, Eddie flew to China with his two brothers and a mission: to set up shop to see if his food stood up to Chinese palates—and to immerse himself in the culture to see if his life made sense in China. Naturally, nothing went according to plan. *Double Cup Love* takes readers from Williamsburg dive bars to the skies over Mongolia, from Michelin-starred restaurants in Shanghai to street-side soup peddlers in Chengdu. The book rockets off as a sharply observed, globe-trotting comic adventure that turns into an existential suspense story with high stakes. Eddie takes readers to the crossroads where he has to choose between his past and his future, between who he once was and who he might become. *Double Cup Love* is about how we search for love and meaning—in family and culture, in romance and marriage—but also how that search, with all its aching and overpowering complexity, can deliver us to our truest selves. Praise for Eddie Huang ' s *Double Cup Love* “ *Double Cup Love* invites the readers to journey through [Eddie Huang ' s] love story, new friendships, brotherhood, a whole lot of eating and more. Huang ' s honest recounting shouts and whispers on every page in all-caps dialogues and hilarious side-commentary. Huang pulls simple truths and humor out of his complex adventure to China. His forthright sharing of anecdotes is sincere and generates uncontrollable laughter. . . . His latest memoir affirms not only that the self-described “ human panda ” is an engaging storyteller but a great listener, especially in the language of food. ” —Chicago Tribune “ An elaborate story of love and self-discovery . . . Huang ' s writing is wry and zippy; he regards the world with an understanding of its absurdities and injustices and with a willingness to be surprised. ” —Jon Caramanica, *The New York Times* “ Huang is determined to tease out the subtle and not-so-subtle ways in which Asian-Americans give up parts of themselves in order to move forward. . . . Fortunately for us, he ' s not afraid to speak up about it. ” —*The New Yorker* “ Huang connects in Chengdu the same way he assimilated in America—through food, hip-hop and a never-ending authenticity, which readers experience through his hilarious writing voice and style. ” —*New York Daily News*

*Six Words Fresh Off the Boat* marries the phenomenon of Larry Smith's successful *Six-Word Memoirs* with ABC and 20th Century Fox Television's hit comedy *Fresh Off the Boat*. The book captures hundreds of takes on the immigration experience, from every-day people as well as world-famous celebrities including Aziz Ansari, Chimamanda Ngozi Adichie, Julianne Moore, Mario Batali, George Takei, Neil Gaiman, Amanda Palmer, Billy Collins, Junot D í az, and Dr. Sanjay Gupta. This book will have you thinking in sixes and challenging others to share six words about their lives.

Pacific Underground's groundbreaking play *Fresh Off the Boat*, written by Oscar Kightley and Simon Small, which examines the tragi-comic trials and tribulations of an immigrant family and their attempts to make sense of their new home -- Samoan life in the Big Smoke -- has been published at long last.

Fob (noun)-derived from the acronym F.O.B. ("fresh off the boat") Does your mom still make Peking duck instead of turkey on Thanksgiving, own a giant cleaver, or take twenty-four more napkins than she needs at Chipotle? Your mom may be a fob. Through their hit blog "My Mom Is a Fob," Teresa and Serena Wu have seized ownership of this formerly derogatory term, applying it instead to the heartfelt, hilarious, and thoroughly unique ways that Asian mothers adapt to American culture, from the perspective of those who love them most: their children. Through texts, emails, phone calls, and more, *My Mom Is a Fob* showcases the stories of a community of Asian-American kids who know exactly what it's like to be on the receiving end of that amazing, unconditional, and sometimes misspelled love. It's about those Asian mothers who refuse to get in the car without their sun-protective arm sheaths, the ones who send us passive-aggressive text messages "from the dog" in hopes that we'll call home, and email us unsolicited advice about everything from homosexuality to constipation. In these pages you'll find solace in the fact that thousands of moms out there are as painfully nosy, unintentionally hilarious, and endearingly fobby as yours is.

Learn how to use Autodesk Fusion 360 to digitally model your own original projects for a 3D printer or a CNC device. Fusion 360 software lets you design, analyze, and print your ideas. Free to students and small businesses alike, it offers solid, surface, organic, direct, and parametric modeling capabilities. *Fusion 360 for Makers* is written for beginners to 3D modeling software by an experienced teacher. It will get you up and running quickly with the goal of creating models for 3D printing and CNC fabrication. Inside *Fusion 360 for Makers*, you'll find: Eight easy-to-understand tutorials that provide a solid foundation in Fusion 360 fundamentals DIY projects that are explained with step-by-step instructions and color photos Projects that have been real-world tested, covering the most common problems and solutions Stand-alone projects, allowing you to skip to ones of interest without having to work through all the preceding projects first Design from scratch or edit downloaded designs. Fusion 360 is an appropriate tool for beginners and experienced makers.

In three pieces originally delivered as special lectures, draws on the biography of the author's father as well as the evolution of her own work to contrast Western and Eastern ideas of self-narration and interdependency.
