Free Press "Buffy meets Jane Austen." –The Book Standard Beneath the glitter of dazzling nineteenth century London Society lurks a bloodthirsty evil... Vampires have always lived among them, quietly attacking unsuspecting debutantes and dandified lords as well as hackney drivers and Bond Street milliners. If not for the vampire slayers of the Gardella family, these immortal creatures would have long ago taken control of the world. In every generation, a Gardella is called to accept the family legacy, and this time, Victoria Gardella Grantworth is chosen, on the eve of her debut, to carry the stake.

But as she moves between the crush of ballrooms and dangerous moonlit streets, Victoria's heart is torn between London's most eligible bachelor, the Marquess of Rockley, and her dark, dangerous duty. And when she comes face-to-face with the most powerful vampire in history, Victoria must ultimately make a choice between duty and love. Gleason's writing is sharp and taut, which makes for excellent action sequences, and a plot that travels quickly from the start. The writing strength alone gives me ample reassurance that this potentially plot-heavy series is in the right hands. I'm definitely looking forward to the next installment." –Smart Bitches, Trashy Books
