B is for Burglar, from Sue Grafton's #1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive, carefully wrapped package from a good but conservative shop. Only her compulsive chatter hinted at the nervousness beneath her cool surface. It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone. There was an absent sister. A will to be settled--a matter of only a few thousand dollars. Mrs. Danziger did not look as if she needed a few thousand dollars. And she didn't seem like someone longing for a family reunion. Still, business was slow, and even a private investigator has bills to pay. Millhone took the job. It looked routine. Elaine Boldt's wrappings were a good deal flashier than her sister's, but they signaled the same thing: The lady had money. A rich widow in her early forties, she owned a condo in Boca Raton and another in Santa Teresa. According to the manager of the California building, she was last seen draped in her \$12,000 lynx coat heading for Boca Raton. According to the manager of the Florida

building, she never got there. But someone else had and she was camping out illegally in Mrs. Boldt's apartment. The job was beginning to seem a bit less routine. It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced, making all kinds of wild accusations about his wife. But it only became sinister when Millhone learned that just days before Elaine Boldt went missing, her next-door neighbor and bridge partner had been murdered and the killer was still at large. A house destroyed by arson. A brutally murdered a woman. A missing lynx coat. An apartment burgled of valueless papers, another ransacked in a mel é e of mindless destruction. And more murder. As Millhone digs deeper into the case, she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing--except danger--is quite what it seems. Sue Grafton's #1 New York Times bestselling series, reissued for a whole new generation of readers! D IS FOR DEADBEAT He called himself Alvin Limardo, and the job he had for Kinsey was cut-and-dried: locate a kid who'd done him a favor and pass on a check for \$25,000. It was only later, after he'd stiffed her for her retainer, that Kinsey found out his name was Daggett. John Daggett. Ex-con. Inveterate liar. Chronic drunk. And dead. The cops called it an accident--death by drowning. Kinsey wasn't so sure. Pulled into the detritus of a dead man's life, Kinsey soon realizes that Daggett had an

awful lot of enemies. There's the daughter who grew up with a cheating drunk for a father, and the wife who's become a religious nut in response to an intolerable marriage. There's the lady who thought she was Mrs. Daggett--and has the bruises to prove it--only to discover the legal Mrs. D. And there are the drug dealers out \$25,000. But most of all, there are the families of the five people John Daggett killed, victims of his wild, drunken driving. The D.A. called it vehicular manslaughter and put him away for two years. The families called it murder and had very good reason to want John Daggett dead. Deft, cunning, and clever, this latest Millhone mystery also confronts some messy truths, for, as Kinsey herself says, "Some debts of the human soul are so enormous only life itself is sufficient forfeit"--but as she'd be the first to admit, murder is not a socially acceptable solution.
