There has been an exponential growth of personal GPS device sales over the last few years and Garmin is leading the way. In particular,the Garmin nuvi navigators have revolutionized what we expect from a GPS navigation device, or from any device for that matter. In this handy new Pocket Guide, mobile device expert Jason O'Grady reveals the secrets to using these leading personal GPS devices, including the nuvi 350 which provides automatic routing, turn-by-turn voice directions, and touchscreen control-- making it easy to find your way anywhere. In addition the built-in "Travel Kit" offers an MP3 player, an audio book player from Audible.com, a jpeg-format picture viewer, a world travel clock with time zones, a currency converter, a measurement converter, and a calculator. With this essential companion you'll be a Garmin GPS master in no time!

When it's you against the wilderness, you need to be prepared for whatever life can throw at you. Whether you're planning to hike the Pacific Crest Trail or camping off the beaten path in your nearby state park, being out in the wild comes with inherent risks. From the everyday disruptions to the extreme circumstances, the Total Backcountry Survival Manual has you covered. With high-quality design, intricate detail, and a durable flexicover--this manual is the perfect gift! While you're heading into a world of fun and adventure, you're heading into a world of possible trouble - if you're not prepared. Luckily the experienced backcountry trekkers, guides, and sportsmen at Outdoor Life are here to get you through any outdoor endeavor. Prepare and Plan From those fishing weekends sleeping under the stars to the hike of a lifetime, preparation is important. Crucial tips for map reading and how to properly pack all your gear, accompany the like of the gear guide and important hydration information. Trail Threats How to get by a damaged section of the trail, deal with mountain lions and coyotes, injury prevention and more. Camp and Eat Responsibly To spotting a good camping site off the trail, to getting sustenance that's safe to eat, to controlling a campfire - find all the practical skills you need to (literally) live on the trail. How to Make it out Alive Put simply, how to get out of there when everything goes wrong. Find these top tips and more in the Total Backcountry Survival Manual, all brought to you by the professionals who have been there - and made it out alive.

A standard text in a variety of courses, the Techniques Manual, as it is commonly called, covers every aspect of modern wildlife management and provides practical information for applying the hundreds of methods described in its pages. To effectively incorporate the explosion of new information in the wildlife profession, this latest edition is logically organized into a two-volume set: Volume 1 is devoted to research techniques and Volume 2 focuses on management methodologies.

From learning the basics of sailing, to mastering navigation and boat care, The Complete Sailing Manual is the most essential reference for sailing instructors and students. Revised and updated to include all of the latest developments in equipment and safety, and to reflect the current rules, regulations, and best practices, The Complete Sailing Manual is the perfect eBook for anyone interested in sailing.

This Solutions Manual provides solutions to odd-numbered text exercises along with summaries of the key concepts needed to solve the problems.
