Sabriel (Abhorsen, #1) by Garth Nix

Sabriel is a self-possessed young woman who has been thrust into a world she doesn't truly understand but is trying always to do what is right. The imagery around what lies beyond death is well done and I enjoyed the idea of ringing bells to command change.

Game of Thrones fans will love the New York Times bestselling Abhorsen series. Sabriel, the first installment in the trilogy, launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. Dark Secrets, Deep Love, and Dangerous Magic Sent to a boarding school in Ancelstierre as a young child, Sabriel has had little experience with the random power of Free Magic or the Dead who refuse to stay dead in the Old Kingdom. But during her final semester, her father, the Abhorsen, goes missing, and Sabriel knows she must enter the Old Kingdom to find him. She soon finds companions in Mogget, a cat whose aloof manner barely conceals its malevolent spirit, and Touchstone, a young Charter Mage long imprisoned by magic, now free in body but still trapped by painful memories. As the three travel deep into the Old Kingdom, threats mount on all sides. And every step brings them closer to a battle that will pit them against the true forces of life and death—and bring Sabriel face-to-face with her own destiny. “ Sabriel is a winner, a fantasy that reads like realism. Here is a world with the same solidity and four-dimensional authority as our own, created with invention, clarity and intelligence. ” —Philip Pullman, author of His Dark Materials trilogy

Orannis the Destroyer has been freed And only Lirael, newly come into her inheritance as the Abhorsen-in-Waiting, has any chance of stopping it. She and her companions -- Sam, the Disreputable Dog, and Mogget -- have to take that chance. If Orannis's unspeakable powers are unleashed, it will mean the end of all Life.

Award-winning author Garth Nix returns to the Old Kingdom with a thrilling prequel complete with dark magic, royalty, dangerous action, a strong heroine, and flawless world building. This epic fantasy adventure is destined to be a classic and is perfect for fans of Rae Carson, Kristin Cashore, Scott Westerfeld, and Cassandra Clare. Clariel is the daughter of one of the most notable families in the Old Kingdom, with blood relations to the Abhorsen and, most important, to the King. She dreams of living a simple life but discovers this is hard to achieve when a dangerous Free Magic creature is loose in the city, her parents want to marry her off to a killer, and there is a plot brewing against the old and withdrawn King Orrikan. When Clariel is drawn into the efforts to find and capture the creature, she finds hidden sorcery within herself, yet it is magic that carries great dangers. Can she rise above the temptation of power, escape the unwanted marriage, and save the King?

The New York Times bestselling first novel in the Bone Season series, an epic fantasy about a young woman fighting to use her powers and stay alive in an England entirely different from our own. In 2059, Scion has taken over most of the world's cities, promising safety for all the citizens it deems worthy and wiping out clairvoyants wherever it can find them. Paige Mahoney, though, is a clairvoyant--and a criminal just for existing. Paige is determined to fight Scion's power, and as part of the Seven Seals, Paige has found a use for her powers: she scouts for information by breaking into others' minds as they dream. But when Paige is captured and arrested, she encounters a power more sinister even than Scion. The voyant prison is a separate city, controlled by a powerful, otherworldly race. These creatures, the Rephaim, value the voyants highly--as soldiers in their army. Paige is assigned to a Rephaite keeper, Warden, who will be in charge of her care and training. He is her master. Her natural enemy. But if she wants to regain her freedom, Paige will have to learn

something of his mind and his own mysterious motives. The Bone Season introduces a compelling heroine—a young woman learning to harness her powers in a world where everything has been taken from her. It also introduces an extraordinary young writer, with huge ambition and a teeming imagination. Samantha Shannon has created a bold new reality in this riveting debut.

Game of Thrones fans will love the New York Times bestselling Abhorsen series. Sabriel, the first installment in the series, launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. This collection gathers all four titles in the popular series, including the long-awaited prequel, Clariel. Sabriel: Since childhood, Sabriel has lived outside the walls of the Old Kingdom, away from the power of Free Magic, and away from the Dead who refuse to stay dead. But now her father, the Abhorsen, is missing, and Sabriel must cross into that world to find him. There she confronts an evil that threatens much more than her life and comes face-to-face with her own hidden destiny. . . . Lirael: Lirael has never felt like a true daughter of the Clayr. She doesn't even have the Sight—the ability to see into possible futures—that is the very birthright of the Clayr. Nevertheless she must undertake a desperate mission under the growing shadow of an ancient evil—one that threatens to break the very boundary between Life and Death itself. With only her faithful companion, the Disreputable Dog, to help her, Lirael must find the courage to seek her own hidden destiny. Abhorsen: The Abhorsen Sabriel and King Touchstone are missing, leaving only Lirael—newly come into her inheritance as the Abhorsen-in-Waiting—to stop the Destroyer. The long-awaited fifth installment in Garth Nix ' s New York Times bestselling Old Kingdom series, for readers who enjoy series by Rae Carson, Kristin Cashore, Scott Westerfeld, and Cassandra Clare. Goldenhand takes place six months after the events of Abhorsen and follows the novella Nicholas Sayre and the Creature in the Case, which is featured in Across the Wall. Lirael lost one of her hands in the binding of Orannis, but now she has a new hand, one of gilded steel and Charter Magic. On a dangerous journey, Lirael returns to her childhood home, the Clayr ' s Glacier, where she was once a Second Assistant Librarian. There, a young woman from the distant North brings her a message from her long-dead mother, Arielle. It is a warning about the Witch with No Face. But who is the Witch, and what is she planning? Lirael must use her new powers to save the Old Kingdom from this great danger—and it must be forestalled not only in the living world but also in the cold, remorseless river of Death.

Bestselling novelist Garth Nix returns to the Old Kingdom for the never-before-told love story of Sabriel ' s parents, Terciel and Elinor, and the charter magic that brought them together—and threatened to tear them apart. A long-awaited prequel to a classic fantasy series. In the Old Kingdom, a land of ancient and often terrible magics, eighteen year-old orphan Terciel learns the art of necromancy from his great-aunt Tizanael. But not to raise the Dead, rather to lay them to rest. He is the Abhorsen-in-Waiting, and Tizanael is the Abhorsen, the latest in a long line of people whose task it is to make sure the Dead do not return to Life. Across the Wall in Ancelstierre, a steam-age country where magic usually does not work, nineteen year-old Elinor lives a secluded life. Her only friends an old governess and an even older groom who was once a

famous circus performer. Her mother is a tyrant, who is feared by all despite her sickness and impending death . . . but perhaps there is even more to fear from that. Elinor does not know she is deeply connected to the Old Kingdom, nor that magic can sometimes come across the Wall, until a plot by an ancient enemy of the Abhorsens brings Terciel and Tizanael to Ancelstierre. In a single day of fire and death and loss, Elinor finds herself set on a path which will take her into the Old Kingdom, into Terciel ' s life, and will embroil her in the struggle of the Abhorsens against the Dead who will not stay dead. \*USA Today Bestseller\* “ One of the greatest living fantasy writers. I will never get enough of the Old Kingdom. ” —Sarah J. Maas, #1 New York Times bestselling author

Six months have passed since Lirael and Sameth fought off the Destroyer and saved Nicholas Sayre's life. Still recovering from his horrible ordeal, Nicholas is nonetheless eager to return to the Old Kingdom and his friends. But first he must endure a country house party organised by his powerful uncle, with the wealthy, eccentric Dorrance as the guest of honour. Nick hates the idea, especially since the people there don't believe in magic or necromancy. Even worse, they have a strange creature locked up in a display case. Things take a truly horrific turn when Nick is kidnapped, and his Charter-infused blood is fed to the creature, which promptly goes on a rampage, drinking blood from anyone it encounters to build its strength. With the Abhorsen days away and no way to stop a savage, incredibly strong Free Magic monster, what can Nick do to stop Dorrance and the creature in the case?"
