A. P. Hill: Lee's Forgotten General is the first biography of the Confederacy's long-neglected hero whom Lee ranked next to Jackson and Longstreet. Although the name and deeds of this gallant Virginian conspicuously punctuate the record of every major campaign of the Army of Northern Virginia, the man himself has persistently remained what Douglas Southall Freeman termed an "elusive personality." William Woods Hassler, through careful and persistent research, has compiled an interesting documentary study from which emerges a balanced portrait of this distinguished but complex character. Here for the first time is detailed the romantic triangle which enmeshed Hill and McClellan, former roommates at West Point, with beautiful Nelly Marcy, reigning queen of pre-war Washington's younger set. Hill lost this contest to Nelly's parents, but he later won the hand of General John Hunt Morgan's lovely and talented sister, Dolly. And at Sharpsburg, Hill wreaked vengeance upon McClellan by his timely arrival which saved Lee from defeat at the same time it spelled McClellan's subsequent dismissal from command of the Army of the Potomac. The author traces Hill's meteoric rise from Colonel of the redoubtable Thirteenth Virginia Regiment to Major General in command of the famed Light Division. Against a "you are there" background of intimate detail, the reader follows the exploits of tempestuous Ambrose Powell Hill as he welds his officers and men into fierce striking units. Where the fighting is thickest there is the red-haired, red-shirted Hill brandishing his sword and exhorting his men to victory. Sometimes the issue ends ignominiously as at Bristoe Station, but more often the outcome is glorious as at Second Manassas and Reams Station. Gray greats and near-greats stalk through these pages with vivid reality as one meets Jeb Stuart, Dorsey Pender, John Hood, Heros von Borcke, Ham Chamberlayne, Willie Pegram, Rev. J. Wm. Jones, Cadmus Wilcox, Harry Heth, J. R. Anderson, Lawrence O'Brien Branch, James Archer, Jim Lane, Thomas Wooten, Charles Field, George Tucker, Kyd Douglas, Johnston Pettigrew, Moxley Sorrel, William H. Palmer, Wade Hampton, Jube Early, Lindsay Walker, Maxcy Gregg, Sam McGowan, and others. Accompanying Hill and his commands from pre-Manassas to the final breakthrough at Petersburg, the reader relives the campaigns in the Eastern theater. At the same time the reader gains a deeper insight into the problems of command, together with an appreciation of the hardships which the Confederate soldiers endured during even the early days of the conflict. Although Powell Hill's consideration and ability won for him the unbounded respect and devotion of his troops, his proud, sensitive nature continually embroiled him with his superiors. His dispute with Longstreet following the Seven Days Battles almost culminated in a duel. Transferred to Jackson's command, Hill outspokenly quarreled with "Old Jack" until the latter's mortal wounding at Chancellorsville effected a dramatic battlefield reconciliation. As Jackson's successor, Hill performed irregularly. The author analyzes objectively the various factors which may have caused the changes in Hill's fortunes following his elevation to corps command.

"Little Powell's got on his battle shirt!" - Hill's soldiers before a battle. Of all the eccentric and enigmatic men who led during the Civil War, perhaps none had as mixed a record as Confederate Lieutenant General Ambrose Powell Hill, better known as A.P. Hill. Hill was a well known and highly respected general on both sides, particularly for his command of "Hill's Light Division" under Stonewall Jackson, which arrived just in time to save Lee's army during the Battle of Antietam. He continued to be Jackson's most capable subordinate until Jackson's death, when Lee gave him command of the III Corps of the Army of Northern Virginia just before the Pennsylvania campaign that climaxed at Gettysburg. Known affectionately to his soldiers as Little Powell, Hill was considered courageous and courteous, a fitting representative of his native Virginia. But after the defeat at Gettysburg and in the wake of his death during the final week of the war, Hill's reputation was somewhat tarnished. Hill was frequently sick to the point of being unfit for command during crucial times like the final day of the Battle of Gettysburg, either because of nerves or the lingering effects of gonorrhea, which he contracted decades earlier around the time he became a West Point cadet in the fabled Class of 1846. He is perhaps best remembered for being engaged to Ellen B. Marcy, the future wife of Hill's West Point friend George B. McClellan, before her parents pressured her to break off the engagement. Little Powell: The Life and Career of A.P. Hill profiles the famous general and examines his Civil War record, analyzing the legacy he's left behind. Along with pictures of important people, places, and events, you will learn about Hill like you never have before, in no time at all.

"[T]he first biography of the Confederacy's long-neglected hero whom Lee ranked next to Jackson and Longstreet."--Publisher.

The last name spoken on their deathbeds by R. R. Lee and Stonewall Jackson was that of their great subordinate, A. P. Hill. Lee’s final words, “Tell A. P. Hill to come up” keynote the story of the Culpeper redhead and his hard hitting light division. For the Light Division always did come up at the critical moment to save the day for the Army of Northern Virginia. The gallantry and dash of Powell Hill’s Cavalier ancestors characterized his own career and death on the battlefield. He and his officers and men saw more frontline action than most of Lee’s army. But their dreadful losses and other vicissitudes of campaigning left a searing imprint on the former U.S. Army captain whose normally friendly spirit had to be submerged by the stern requirements of combat leadership. In less than three years he rose to the rank of corps commander and at the end was Lee’s closets adviser. Hill’s officers and men returned the loyalty and esteem which he gave them and, responding to the flame of his unquenchable fighting spirit, gave their utmost in battle. Hill’s Light Division bore the brunt on the Peninsula when Jackson faltered, saved the day at Slaughter’s Mountain, withstood formidable assaults on the army’s flank at Second Manassas, saved the day at Antietam. It distinguished itself in every major battle from Mechanicsville to Five Forks. Up Came Hill is more than a combat story.Up Came Hill will afford deep satisfaction to the many Civil War buffs and others who value a clear account of the overall course of the war in the eastern theater together with a detailed exposition of some phases which have long been relatively obscure. It constitutes, to, an admirable and overdue tribute to an outstanding leader and to one of the grandest fighting units in which Americans have served.

Fort A.P. Hill is the sixth largest military installation on the East Coast. Its 49,600 acres of maneuver area as well as 26,700 acres of uninterrupted ranges make it one of the most useful all-purpose, year-round training facilities in the United States. The installation, which was initially envisioned as a First Army maneuver area was established in June 1941. It was originally named A.P. Hill Military Reservation, in honor of Confederate Lieutenant General Ambrose Powell Hill Junior. It served as a maneuver training area for the three activated National Guard divisions of the II Army Corps. Prior to 1941, the federal and state installations under the command of First Army lacked sufficient training areas and artillery ranges for division size training. Through the years, it has been called Camp A.P. Hill and is currently known as Fort A.P. Hill. During the early years of World War II, the post served as a training site for division sized units and corps support troops. In 1944 the Quartermaster, Transportation and Engineer Schools opened Officer Candidate Schools (OCS) and enlisted replacement field training centers at A.P. Hill. By the end of WWII, these activities dwindled and the post became a weekend and summer training facility for the National Guard and the organized Reserve During the Korean Conflict, the Third Armored Cavalry Regiment trained tank replacement crews in maneuver and gunnery at A.P. Hill Military Reservation. The 43d Infantry Division trained there in May and June of 1951. The VII Corps Headquarters staged at A.P. Hill before deploying to Europe in November 1951.

Here, seen through the eyes of the men themselves, is the story of the Confederacy’s legendary Stonewall Brigade. Most Civil War accounts treat of battles and armies. The focus of this exciting account is sharper, narrower: a single brigade, the basic unit of attack of one of those armies. The Stonewall Brigade and its first commander, Thomas J. Jackson, won their nickname at the bloody baptism of First Manassas. Over the next four years "Jackson’s foot cavalry" achieved fame and sustained losses matched by few American military units before or since. There were some 2,600 men serving in the brigade at the start of the war. At Appomattox-thirty-nine engagements later-only 210 remained, none above the rank of captain. But these men from out of the Valley of Virginia had written their names upon the pages of history. In The Stonewall Brigade the author, a distinguished scholar of the Civil War, has given equal billing to the immortal Jackson to such soldiers as Lieutenant David Barton, Captain Kyd Douglas, and Private John Casler. He has attempted to capture the camp life, the marches, the personal experiences in battle rather than concentrate on well-known strategy and familiar Confederate leaders. Similarly, descriptions of battles are written from within the ranks rather than from command posts. The result is a vivid and often moving account of courage and cowardice, triumph and heartbreak-and endurance perhaps without parallel.
