The field of industrial microbiology involves a thorough knowledge of the microbial physiology behind the processes in the large-scale, profit-oriented production of microbe-related goods which are the subject of the field. In recent times a paradigm shift has occurred, and a molecular understanding of the various processes by which plants, animals and microorganisms are manipulated is now central to industrial microbiology. Thus the various applications of industrial microbiology are covered broadly, with emphasis on the physiological and genomic principles behind these applications. Relevance of the new elements such as bioinformatics, genomics, proteomics, site-directed mutation and metabolic engineering, which have necessitated the paradigm shift in industrial microbiology are discussed.

Winner of the 1994 Heldt Prize from the Association of Women in Slavic Studies A detailed and colorful instruction manual on household management in sixteenth-century Russia, the Domostroi gives a fascinating glimpse of the world of the nobility. This "how-to" guide is one of the few sources on the social history and secular life of Russia in the time of Ivan the Terrible. Carolyn Johnston Pouncy here offers, with an informative introduction, the first complete English translation.

A practical and thorough treatment on the meanings of all aspects of planetary and house rulerships. Rulers of the Horoscope: Finding Your Way Through the Labyrinth is the definitive sourcebook on this topic. Alan Oken masterfully guides you through the labyrinth of delineating and synthesizing the complex interchange between rulers of houses and their signs and the nature of the houses they occupy and rule. He defines and describes derivative houses, planetary and house rulerships, dispositorships, mutual reception and the compatibility and nature of importance of their placement in the horoscope. The astrological charts of well-known people are illustrated with detailed descriptions of planetary relationships, their positive and negative aspects, and the traditional and modern interpretation of the houses. Alan Oken's in-depth exploration of the ruler for each of the twelve houses and the rulers of the rising sign is an invaluable tool for astrology students and teachers alike.

Only New York Times bestselling author Wahida Clark could take street lit to the next level in this incendiary tale of a hustler facing a game more lethal than any 'hood . . . THE GOLDEN HUSTLA She's the star sales associate of a profitable Atlanta "advertising" firm, WMM. She lives for top-of-the-line everything . . . and making enough money to finally reunite with her children. But Nina Coles is an ex-hood-rat in hiding. And no amount of paper can keep her safe from a ruthless FBI agent who's determined to take down the shady company she works for. Now Nina's vicious, greedy boss Rinaldo is defying the feds and endangering everyone to rack up several last scores. Her conniving ex-partner Akil is playing Nina against WMM and the mob to get his hands on the company's multimillion-dollar stash. And sexy undercover cop Rick is proving to be one danger Nina can't figure out-or get enough of. Between betrayal, lies, and murder, Nina must risk everything on one last deadly hustle that almost guarantees winner lose all . . .
