I plan on starting the genki 2 textbook in about a week or two and I would like a study buddy (as the title states lol). I'd prefer if we could use discord, for privacy and for the voice channels! I have online classes everyday (8 am - 2 pm) except on wednesdays and sundays, other than that I have absolutely nothing to do because of quarantine.

In Japanese/English. Distributed by Tsai Fong Books, Inc.

"The Japanese language uses a set of symbols called 'hiragana' (to spell Japanese words), 'katakana' (to spell foreign words), and 'kanji' (to represent entire words or names). Over the course of BOOK 1, we will teach you groups of hiragana piece-by-piece to gradually build up your understanding and familiarity."--Introduction.

This powerful book is to strengthen your faith, and to share my family's supernatural testimony about the birth of my son. The trauma that we experienced, that led to a supernatural victory. It also will reveal the power of our heavenly father in Christ Jesus, so that you may believe on a higher level, and receive all that God has destined for you to have. This book will ignite the sleeping giant in

Elementary Japanese Teacher's Guide provides teachers and self-study students with helpful information for using Elementary Japanese Volume One and Volume Two.

Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self-study or use in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their primary function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with generous practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference

section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

The international phenomenon that has sold over a million copies in Japan, *If Cats Disappeared from the World* is a funny, heartwarming, and profound meditation on the meaning of life. The postman's days are numbered. Estranged from his family, living alone with only his cat Cabbage to keep him company, he was unprepared for the doctor's diagnosis that he has only months to live. But before he can tackle his bucket list, the Devil appears to make him an offer: In exchange for making one thing in the world disappear, our narrator will get one extra day of life. And so begins a very bizarre week... With each object that disappears the postman reflects on the life he's lived, his joys and regrets, and the people he's loved and lost. Genki Kawamura's timeless tale is a moving story of loss and reconciliation, of one man's journey to discover what really matters most in life.
