This colorful picture dictionary includes: Hundreds of color photographs 1,500 Japanese words and phrases 40 different topics—from social media and WiFi to paying and counting Example sentences showing how the words are used Companion online audio recordings by native Japanese speakers of all the vocabulary and sentences An introduction to Japanese pronunciation and grammar An index to allow you to quickly look up words Japanese Picture Dictionary makes language learning more fun than traditional phrasebooks. This resource is perfect for beginners of all ages—curious kids, visual learners and future travelers to Japan.

This Workbook has been specifically written to accompany the Course Book - A First Course in Japanese. This course is designed for senior high school students who are beginning their study of Japanese in the last two years of high school. It contains Hiragana, Katakana and Kanji reading and writing practice, as well as grammatical exercises, composition, reading and listening comprehension, and crosswords. Two audio CDs cover all the listening exercises. The complete script of the CDs is also included in the book. Hiragana and Katakana It is desirable for students to learn Hiragana and Katakana before they commence using the Course Book. However, it is possible for teachers to conduct lessons orally while students acquire Hiragana and Katakana reading skills. Kanji There are 79 Kanji for reading and writing, ten recognition compounds and four single recognition Kanji used for this course. About six Kanji are introduced in each unit, and reading and writing practice is provided at the beginning of each unit. Stroke orders are given on pages 341-345 of the Course Book. Wonderword and crossword Students will have fun finding words in the Wonderwords or solving crossword puzzles. Grammatical exercises and writing, reading and responding Exercises for required grammar and writing practice on Genkoyoshi are given. Reading comprehension At the end of each topic, some comprehension passages are given for students to test their reading comprehension skills. Listening comprehension At the end of each unit, listening comprehension is given. The CD script for the listening is given at the end of the Workbook. Each item is read twice with a five second pause. Students will have to stop the CD to write their answers. Speaking Questions are given at the end of each topic in the Course Book. However, the Workbook also provides exercises for speaking.

Contemporary Japanese Workbook, Volume 1 was created as a supplementary material for Contemporary Japanese: An Introductory Textbook for College Students. A workbook which is best used for reviewing and reinforcing the concepts and learning materials introduced in the textbook, it is also designed to function as a standalone comprehensive workbook. Some of the features included for this purpose are (a) presentation of a brief note on the concept tested before every question, (b) providing of vocabulary and kanji glossaries on unfamiliar words, and (c) an audio input by native speakers. This workbook also

offers materials in the business, traveling and daily life contexts, in addition to the college life context featured greatly in the textbook. Contemporary Japanese Workbook series comes in two volumes, consisting of 26 chapters (Chapter One to Fourteen in Volume 1 and Chapter Fifteen to Twenty-Six in Volume Two) in all. It integrates all the information provided in the textbook. Each chapter in the workbook has specific objectives and includes the following six sections: Kanjia and vocabulary Grammar. Conversation and Usage. Listening Comprehension. Writing. New Vocabulary Reference List. In Contemporary Japanese Workbook Volume One, hiragana characters are introduced in Chapter One in the form of questions along with audio recordings, and are used in subsequent chapters without ruby, in this case in romanji. Katakana characters are introduced in Chapter Four, also in the form of questions, and are used in subsequent chapters without ruby. Kanji characters are introduced in the form of questions, accompanied by detailed information such as meanings, component equations, remembering guides, stroke order, and usage examples. The required kanji characters in every chapter are introduced without ruby. When they appear again in the following chapters, ruby is sparingly provided, wherever it is thought to be helpful, and the use of this pronunciation guide is gradually reduced. Non-required kanji characters occasionally appear with ruby to help learners get accustomed to kanji and thus, able to see the phrase boundaries in a sentence easily.
