This book provides a comprehensive and expert guide to lace technique and is executed in an exhaustive and practical manner. It shows working methods with clear and straightforward descriptions given in systematic progressive stages, and the large number of diagrams will prove extremely useful to all lace workers.

This comprehensive guide is directed at Linux and UNIX users but is also the best how-to book on the use of LaTeX in preparing articles, books and theses. Unlike other LaTeX books, this one is particularly suitable for anyone coming to LaTeX for the first time.
