NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road “This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers’ stories flow, as she puts it, ‘out of our heads and into our hearts.’”—People “Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights.”—The New York Times “Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be.”—The Boston Globe

Feministische studie.

The companion volume to 12 Rules for Life offers further guidance on the perilous path of modern life. In 12 Rules for Life, clinical psychologist and celebrated professor at Harvard and the University of Toronto Dr. Jordan B. Peterson helped millions of readers impose order on the chaos of their lives. Now, in this bold sequel, Peterson delivers twelve more lifesaving principles for resisting the exhausting toll that our desire to order the world inevitably takes. In a time when the human will increasingly imposes itself over every sphere of life—from our social structures to our emotional states—Peterson warns that too much security is dangerous. What's more, he offers strategies for overcoming the cultural, scientific, and psychological forces causing us to tend toward tyranny, and teaches us how to rely instead on our instinct to find meaning and purpose, even—and especially—when we find ourselves powerless. While chaos, in excess, threatens us with instability and anxiety, unchecked order can petrify us into submission. Beyond Order provides a call to balance these two fundamental principles of reality itself, and guides us along the straight and narrow path that divides them.

A NEW YORK TIMES 100 NOTABLE BOOKS OF 2019 SELECTION From “one of the most emotionally exacting, mercilessly candid, deeply funny, and intellectually rigorous writers of our time” (Cheryl Strayed, author of Wild) comes a seminal new book that reaches surprising truths about feminism, the Trump era, and the Resistance movement. You won't be able to stop thinking about it and talking about it. In the fall of 2016, acclaimed author Meghan Daum began working on a book about the excesses of contemporary feminism. With Hillary Clinton soon to be elected, she figured even the most fiercely liberal of her friends and readers could take the criticisms in stride. But after the election, she knew she needed to do more, and her nearly completed manuscript went in the trash. What came out in its place is the most sharply-observed, all-encompassing, and unputdownable book of her career. In this gripping new work, Meghan examines our country's most intractable problems with clear-eyed honesty instead of exaggerated outrage. With passion, humor, and most importantly nuance, she tries to make sense of the current landscape—from Donald Trump's presidency to the #MeToo movement and beyond. In the process, she wades into the waters of identity politics and intersectionality, thinks deeply about the gender wage gap, and tests a theory about the divide between Gen Xers and millennials. This signature work may well be the first book to capture the essence of this era in all its nuances and contradictions. No matter where you stand on its issues, this book will strike a chord.

A history of the ideologies and personalities of the feminist peace movement in the US. This study explores: connections between militarism and violence against women; women as the mothers of society; women as naturally responsible citizens; and the desire to be independent of male control.

A journalist and feminist explores the ways the 2008 election brought issues concerning women and power, sexism and feminism into the national spotlight, and what it means for the country, all the while weaving in her first-person experience navigating this turbulent time.

Mudpuppy's Little Feminist Board Book Set is comprised of colorful illustrated portraits of real women who have made historical impact on the world. Illustrations by Lydia Ortiz and words by Emily Kleinman introduce children to these important people in history with images that are fun for youngsters and also realistic. The Board Book Set includes 4 mini board books (Pioneers, Artists, Leaders, and Activists.) - Size: 4 x 4 x 4" - Includes Artists: Maya Angelou, Lucille Ball, Frida Kahlo and Ella Fitzgerald - Includes Leaders: Cleopatra, Queen Elizabeth I, Indira Gandhi and Hillary Clinton - Includes Activists: Harriet Tubman, Rosa Parks, Gloria Steinem and Malala Yousafza - Includes Pioneers: Marie Curie, Sally Ride, Amelia Earhart and Billie Jean King

From one of our most important scholars and civil rights activist icon, a powerful study of the women's liberation movement and the tangled knot of oppression facing Black women. "Angela Davis is herself a woman of undeniable courage. She should be heard."—The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women's rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger's racism. Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.
