If they can make this marriage work by starting over, he stays. If not ... Gemma's not interested; she's got a son to protect and a heart to heal. Good girls don't date rock stars. They certainly don't have rock star f-buddies. Still a virgin at 21, Meg Smart walks a straight and narrow path. She aces her classes, excels at her part time job, and carefully avoids trouble--no drinks, no drugs, and especially, no boyfriends. Rock star Miles Webb doesn't do "boyfriend." He skips over intimacy and love in favor of easy distraction--a beautiful woman under him, screaming his name. Meg is drawn to the pain in his gorgeous, tortured voice. But the man she hears on the radio is nothing like the player she meets at a mutual friend's house party. When she walks in on one of his trysts, she's embarrassed enough to die. His merciless teasing leaves her blushed and frustrated, but she's intrigued by his wit, his confidence, his casual offer to give her a night she'll never forget.
