The world of technology was pleased to announce the GoPro 4 Silver Camera. This new and innovative digital device is economic friendly and also consumer friendly. The camera is equipped with waterproof capability of up to 131' of water. Its mountable design ensures multipurpose uses; you could not have asked the minds behind this invention to give us something better than that. The camera's digital zoom has the ability to take the center portion of the high resolution sensor image to help enhance the capacity of the zoom; meaning that the existing data is not altered but merely showcased at a lower the resolution, thereby giving an illusion of an enlarged portrait. The GoPro 4 Silver Digital Camera also comes equipped with built-in Wi-Fi and Bluetooth and has the ability to take 12MP at a speed of 30 frames per second. This camera is the first ever created with touch screen capability.
