Graphene (/ ɡ r æ f ɪ n /) is an allotrope of carbon consisting of a single layer of atoms arranged in a two-dimensional honeycomb lattice. The name is a portmanteau of "graphite" and the suffix -ene, reflecting the fact that the graphite allotrope of carbon consists of stacked graphene layers.. Each atom in a graphene sheet is connected to its three nearest neighbors by a □-bond, and ...

Legendary artist Jack Kirby first conceptualized Silver Star in the mid-1970s as a movie screenplay, complete with illustrations to sell the idea to Hollywood. Too far ahead of its time for Tinseltown, Jack instead adapted his "Visual Novel" as a six-issue mini-series for Pacific Comics in the early 1980s, making it the last original creation of his career. Now, in Silver Star: Graphite Edition, "King" Kirby's final, great series is collected at last, this time reproduced from his powerful, un-inked pencil art! Read the complete story of Homo-Geneticus, the New Breed of humanity that spawns both hero (Silver Star) and villain (the nefarious Darius Drumm), leading to one of the most action-packed narratives and spellbinding climaxes ever conceived on a comics page!

Gain the drawing skills you need to create textured works like a pro with Drawing: Basic Textures in Pencil. From handling the pencil and mastering basic techniques to learning about value, form, and shading, Basic Textures in Pencil teaches beginning artists all of the elements they need to achieve realistic results in their drawings. Intuitive step-by-step lessons then demonstrate how you can put your newfound skills to use by rendering everything from metal, glass, and wood textures to fur and feathers. Each concept is clearly explained in easy-to-comprehend language, making this book an accessible and approachable resource for beginning artists and art enthusiasts. Designed for beginners, the How to Draw & Paint series offers an easy-to-follow guide that introduces artists to basic tools and materials and includes simple step-by-step lessons for a variety of projects suitable for the aspiring artist. Basic Textures in Pencil allows artists to widen the scope of their abilities, demonstrating basic pencil drawing techniques that allow beginners to re-create a variety of common textures and surfaces.
