I'm a big John Grisham fan. I've enjoyed many of his books and thought it would be a no-brainer that Gray Mountain would be a good read. There are both pros and cons to reading this book. The cons are that the story, for the most part, plods along, and the protagonist is uninspired.

Samantha is desperate to keep her place among the elite. She learns a quick lesson in the importance of serving humanity first through placement with the Mountain Aid Legal Clinic. Her life looks a bit “gray” on the mountain of suffering she discovers exists in the world, which changes her entire perspective on life, including a new chance at romance. Gray Mountain was touted to be an “angry but important” novel by the Washington Post due to its focus on the coal miners’ life at Big Coal. Released in 2014, following another serious look at human suffering in Sycamore Row (2013), this novel took the number 3 slot on the New York Times bestseller list for 10 weeks. John Grisham returns with this seven short stories, all set in Ford County, Mississippi, which is the location of his first novel, 'A Time to Kill'.

Follows the divergent paths of a rookie hitter for the Chicago Cubs and a hard-hitting Mets pitcher.

#1 New York Times bestselling author John Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America's favorite storyteller has several surprises in store. "Homecoming" takes us back to Ford County, the fictional setting of many of John Grisham's unforgettable stories. Jake Brigance is back, but

he's not in the courtroom. He's called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he's leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In "Strawberry Moon," we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can't save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. The "Sparring Partners" are the Malloy brothers, Kirk and Rusty,

Grisham two successful young lawyers who inherited a once prosperous firm when its founder, their father, was sent to prison. Kirk and Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told.

Published in 2014, Gray Mountain is a legal thriller focusing on strip mining for coal. It is set in Appalachia, a town in eastern America. This story centers around a lawyer named Donovan Gray

who is a big character in such a small town and certainly to Samantha Kofer. Samantha is new to the area from New York, and having previously worked in the capital's biggest law firm is feeling decidedly out of place. Set in the times after the Great Recession, we see third-year graduate Samantha learning on her feet in a small town that plays by its own rules. After the economy taking a nose dive, Samantha finds herself far from her former dreams of earning huge wages in New York. She is desperate to keep the benefits of her former role and has arrived at Appalachia on the promise of being taken back if the company finds itself in credit again. While working under Mattie Wyatt at the Mountain Legal Aid Clinic, she soon learns what a tough world she has entered where coal miners have little

to no rights, even riddled with disease solely attributable to their working environment. This novel by John Grisham beautifully captures both the stunning scenery that the story is set in, but of the colliding worlds of face paced New York and the slow but deadly Appalachia. Donovan Gray is the nephew of Mattie Wyatt and is on a mission to tackle the big bosses of the strip coal mining world. In doing so, John Grisham enlightens us to the dangers of this world and the damage it is doing to both the environment and the people working in it. Highlighting the extremity of the work, Donovan takes on a heartbreaking case where an upended boulder rolls down and flattens a worker's house, killing his two boys inside. The story then hones in on the proceeding court case and Donovan seeking justice asking for a

- In his final hours in the Oval Office, the outgoing President grants a controversial last-minute pardon to Joel Backman, a notorious Washington power broker who has spent the last six years hidden away in a federal prison. What no one knows is that the President issues the pardon only after receiving enormous pressure from the CIA. It seems Backman, in his power broker heyday, may have obtained secrets that compromise the world's most sophisticated satellite surveillance system. Backman is quietly smuggled out of the country in a military cargo plane, given a new name, a new identity, and a new home in Italy. Eventually, after he has settled into his new life, the CIA will leak his whereabouts to the Israelis, the
