Are you discouraged? Do your shoulders ache with the weight of carrying your problems alone? Do you wish you could find someone who understands, someone who won't condemn you for your failures or ridicule you for your mistakes? Let Chuck Swindoll put a friendly arm around your shoulders and show you how the burdens can be lifted from your heart. Encourage Me offers tender insight into the needs of the human heart and how God wants to meet those needs through the gift of encouragement. Swindoll says, "Encouragement is awesome. Think about it: It has the capacity to lift a man's or a woman's shoulders. To breathe fresh air into the fading embers of a smoldering dream. To actually change the course of another human being's day . . . or week . . . or life." This classic devotional is a treasury of thoughts on finding the encouragement you need -- and learning to share that encouragement with others.

Discover Your Roots Whether you drive a truck, wait tables, work in an office, or ferry the kids to and from soccer practice, Chuck Swindoll understands that your world is practical, earthy, tough, and relentless. Growing Deep in the Christian Life takes theology out of the ivory tower and enables you to apply it to where you live every day. The basics of the faith are the roots from which we draw emotional stability, mental food for growth, and spiritual energy and perspective on life. Growing Deep in the Christian Life offers an easy-going and practical approach that reviews ten key doctrines and shows their power to strengthen and encourage you in faith. Swindoll says, "By returning to our roots, we determine precisely where we stand. We equip ourselves for living the life God designed us to live." Growing Deep in the Christian Life helps you dig deeper and discover the essentials of the faith--essentials that enable you to experience Christian discipleship at a richer and more mature level.

Swindoll is convinced that many people have spent much of their Christian lives trying to keep a safe distance between themselves and the Holy Spirit. In Flying Closer to the Flame, he encourages readers to a more spontaneous, intimate and dynamic relationship with God through the Holy Spirit.
