An incident transforms Eva's popularity to the next level. Loving the attention, it leads her to engage in unhealthy behaviour to repeat the high. In search of significance, Eva embarks on an adventure in the world of drugs, alcohol and risky lifestyle all the while jumping from one relationship to another. With each relationship, Eva hopes that the new flame will become Mr. Right. Disappointed and at the end of her rope, she meets "The Author". Will He be the one who can finally make her feel complete and satisfied? Will He be able to fill her inner needs? This book tells the story of Evelyne Day Rush. While the names of people and places have been changed and some events slightly altered to protect privacy, this book is a true story. Without shame, Evelyne exposes her teenage years and early adulthood when experiencing the fleeting pleasures an unrestrained and loose life offers. She unfolds the events that transformed her life into a true fairy tale.

One Eventful Day In Mississippi- "If only my comic brilliance could be brought to the attention of classy babes like Uma Thurman and Renee Zelweger!" "You gotta quit screwin' around on the Internet and put out a BOOK! That's what the classy babes go for-BOOKS!" John Saleeby wrote for the National Lampoon when he was in High School and was a stand up comic in New York in the eighties. But everybody in New York was a stand up comic in the eighties so Saleeby went back to The South where he got a night shift job at a psychiatric hospital and began writing for the Internet humor zine Acid logic. The Awful Waffle is a collection of Saleeby's best Acid Logic material as well as some stuff from a notebook he found in his living room while looking for his copy of that early nineties Playboy with pictures of Drew Barrymore. "I never did find that Playboy with Drew Barrymore in it." "You gotta quit looking at pictures of classy babes and put out a BOOK!" "You stole that Playboy from my living room, didn't you?" "Yeah."

Almost-15-year-old Austin Gray is tired of standing at the curb and watching the parade pass her by. Literally. She decides this is the year she'll ride on the hood of a shiny pickup truck in the annual parade, waving to the crowd and finally showing the town bully that she's got what it takes to be the Sweetheart of Prosper County. But far from simply being a beauty contest, becoming Sweetheart involves participation in the Future Farmers of America (FFA), raising an animal, and hunting or fishing. Austin will do almost anything to become Sweetheart, and has the support of her oldest friend, Maribel, her new FFA friends (including the reigning Sweetheart, and a quiet, cute cowboy), an evangelical Elvis impersonator, a mysterious Cajun outcast, and a rooster named Charles Dickens. If only her momma would stop overprotecting her, and start letting Austin live her own life. But Austin can't move on until Momma moves on, too—and lets the grief of losing Austin's daddy several years before out into the open. Here is a bighearted story that will leave readers agreeing with Austin that sometimes, it's not what you ride, it's how you roll.

Washington D. C. is destroyed by a nuclear weapon during the State of the Union Address. The enemy has attacked when America is most vulnerable. However one cabinet member is required to be in a secure location to ensure the rules of succession to the presidency. Meet Lewis MacDonald, a devout family man and Christian who will trust his conscience and his faith in the Lord. His beautiful wife Beverly has always been his guiding light along with his adopted children. Will he be able to lead America to victory? But first he must inspire America. A host of characters pave the way to the exciting conclusion. A feel good, down to earth story about a very special family. So get ready to be inspired, fasten your seatbelt for the roller coaster ride that is the State of the Union.
