The dynamic genre of musical theater that transformed popular entertainment in Cuba

Most travel books take you far, but usually not far enough. Too often they include too much historical material, too little about the facts of life.

Read Online Havana Lyrics

Knowledge of any city, after all, is written in terms of its people, its food, its customs. Take Havana, now. There have been no books about Havana that make its people real to us. If Americans consider the Cubans “touched,” they, in their turn, sum us up as Americanos locos. But the Cubans, at least, admire the stuff Americans are made of, even though it defies their analysis. It’s time for visitors to return the compliment, to be more open-minded and less jingoistic. The geniality and gracious dignity of life in Havana and the mercurial charm of its inhabitants deserve understanding and appreciation. There have been no books about Havana that guide tourists through the complicated maze of Cuban etiquette. Warm-hearted and easy-going though he may be, your true Cuban resents any transgression of the rules of his social code. The bad impressions left by Americans on a spree cry to heaven for correction. There have been no books about Havana that show tourists how to get more than their money’s worth out of shopping, eating, sightseeing and night-clubbing, how to spend intelligently, how to save wisely, how to have fun on even the most limited budget. These pages try to demonstrate that there is much more than rum, rumba and revolution in Cuba; to indicate the pattern of behavior that furthers social success in this unpredictable but always enchanting country; to turn the spotlight on Cuban customs and the Latin way of looking at life. Understanding all this will mean keener appreciation of your experiences there, richer memories and a sympathy for Havana that make the place unforgettably warm and colorful.

With this masterful work, Louis A. Pj©rez Jr. transforms the way we view Cuba and its relationship with the United States. *On Becoming Cuban* is a sweeping cultural history of the sustained encounter between the peoples of the two countries and of t

Queer Lyrics fills a gap in queer studies: the lyric, as poetic genre, has never been directly addressed by queer theory. Vincent uses formal concerns, difficulty and closure, to discuss innovations specific to queer American poets. He traces a genealogy based on these queer techniques from Whitman, through Crane and Moore, to Ashbery and Spicer. *Queer Lyrics* considers the place of form in queer theory, while opening new vistas on the poetry of these seminal figures.

Now available in ePub format.

With this masterful work, Louis A. Perez Jr. transforms the way we view Cuba and its relationship with the United States. *On Becoming Cuban* is a sweeping cultural history of the sustained encounter between the peoples of the two countries and of the ways that this encounter helped shape Cubans' identity, nationality, and sense of modernity from the early 1850s until the revolution of 1959. Using an enormous range of Cuban and U.S. sources--from archival records and oral interviews to popular magazines, novels, and motion pictures--Perez reveals a powerful web of everyday, bilateral connections between the United States and Cuba and shows how U.S. cultural forms had a

critical influence on the development of Cubans' sense of themselves as a people and as a nation. He also articulates the cultural context for the revolution that erupted in Cuba in 1959. In the middle of the twentieth century, Perez argues, when economic hard times and political crises combined to make Cubans painfully aware that their American-influenced expectations of prosperity and modernity would not be realized, the stage was set for revolution.

During the Twenties, the Great White Way roared with nearly 300 book musicals. Luminaries who wrote for Broadway during this decade included Irving Berlin, George M. Cohan, Rudolf Friml, George Gershwin, Oscar Hammerstein II, Lorenz Hart, Jerome Kern, Cole Porter, Richard Rodgers, Sigmund Romberg, and Vincent Youmans, and the era's stars included Eddie Cantor, Al Jolson, Ruby Keeler, and Marilyn Miller. Light-hearted Cinderella musicals dominated these years with such hits as Kern's long-running Sally, along with romantic operettas that dealt with princes and princesses in disguise. Plots about bootleggers and Prohibition abounded, but there were also serious musicals, including Kern and Hammerstein's masterpiece Show Boat. In *The Complete Book of 1920s Broadway Musicals*, Dan Dietz examines in detail every book musical that opened on Broadway during the years 1920-1929. The book discusses the era's major successes as well as its forgotten failures. The hits include *A Connecticut Yankee*; *Hit the Deck!*; *No, No, Nanette*; *Rose-Marie*; *Show Boat*; *The Student Prince*; *The Vagabond King*; and *Whoopee*, as well as ambitious failures, including *Deep River*; *Rainbow*; and Rodgers' daring *Chee-Chee*. Each entry contains the following information: Plot summary Cast members Names of creative personnel, including book writers, lyricists, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of performances Plot summary Critical commentary Musical numbers and names of the performers who introduced the songs Production data, including information about tryouts Source material Details about London productions Besides separate entries for each production, the book offers numerous appendixes, including ones which cover other shows produced during the decade (revues, plays with music, miscellaneous musical presentations, and a selected list of pre-Broadway closings). Other appendixes include a discography, filmography, a list of published scripts, and a list of black-themed musicals. This book contains a wealth of information and provides a comprehensive view of each show. *The Complete Book of 1920s Broadway Musicals* will be of use to scholars, historians, and casual fans of one of the greatest decades in the history of musical theatre.

Spanning the full career of the eminent musical dramatist, from the 1920s until his death in 1960, a comprehensive volume features the complete texts of more than 850 songs, including his notable work for the stage and screen with composers Jerome Kern and Richard Rodgers--*Show Boat*, *Oklahoma!*, *The Sound of Music*, and more. 20,000 first printing.

Despite the stock market crash of October 1929, thousands of theatregoers still flocked to the Great White Way throughout the country's darkest years. In keeping with the Depression and the events leading up to World War II, 1930s Broadway was distinguished by numerous political revues and musicals, including three by George Gershwin (*Strike Up the Band*, *Of Thee I Sing*, and *Let 'Em Eat Cake*). The decade also saw the last musicals by Gershwin, Jerome Kern, and Vincent Youmans; found Richard Rodgers and Lorenz Hart in full flower; and

introduced both Kurt Weill and Harold Arlen's music to Broadway. In *The Complete Book of 1930s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway from 1930 through 1939. This book discusses the era's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. It includes such shows as *Anything Goes*, *As Thousands Cheer*, *Babes in Arms*, *The Boys from Syracuse*, *The Cradle Will Rock*, *The Green Pastures*, *Hellzapoppin*, *Hot Mikado*, *Porgy and Bess*, *Roberta*, and various editions of *Ziegfeld Follies*. Each entry contains the following information: Plot summary Cast members Names of all important personnel, including writers, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data, including information about tryouts Source material Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and list of published scripts, as well as lists of black-themed and Jewish-themed productions. This comprehensive book contains a wealth of information and provides a comprehensive view of each show. *The Complete Book of 1930s Broadway Musicals* will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.
