One of the most significant novels in Latin American literature, written by Cuba's most important modern novelist—to win a bet with Gabriel García Márquez. In the early 1970s, friends Gabriel García Márquez, Augusto Roa Bastos and Alejo Carpentier reached a joint decision: they would each write a novel about the dictatorships then wreaking misery in Latin America. García Márquez went on to write The Autumn of the Patriarch and Roa Bastos I, the Supreme. The third novel in this remarkable trinity is Reasons of State, hailed as the most significant novel ever to come out of Cuba. As with García Márquez, Reasons of State is a bold story, boldly told --- daring in its perceptions, rich in lush detail, inventive in prose, and deady compelling in its suspenseful plot. Inexplicably out of print for years, it tells the tale of the dictator of an unnamed Latin American country who has been living the life of luxury in high-society Paris. When news reaches him of a coup at home, he rushes back and crushes it with brutal military force. But returning to Paris he is given a chilly welcome, and learns that photographs of the atrocities have been circulating among his well-to-do friends. Meanwhile World War One has broken out, and another rebellion forces the dictator back across the ocean. As he struggles with the Marxist forces beginning to find footing in his own country, and Europe is devastated, Carpentier constructs a masterful and biting satire of the new world order.

AN INSTANT #1 NEW YORK TIMES BESTSELLER? Named one of the most anticipated novels of the season by People, Associated Press, Time, Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—State of Terror. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Elen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.
