Why should we care about heaven? -- What is heaven like? -- When does a person go to heaven? -- Where is heaven? -- Who goes to heaven?

Presents the story of the four-year old son of a Nebraska pastor who during emergency surgery slips from consciousness and enters heaven.

In a language kids can understand, Randy Alcorn explores Biblical answers to the questions kids often have about heaven. As in the adult title, Heaven, he addresses the difference between the present Heaven, where we go when we die, and the New Earth, where we will live forever with Jesus after he returns. Intended for kids age 8-12, Heaven for Kids is sure to be an excellent resource for families, especially those in which the parents have read the adult title and wish to pass on that same level of understanding to their children. The book features ten chapters of questions, and answers based on scripture and written in a style relevant to today's kids. The book also has a summary of the Gospel for those who want to be sure they are going to Heaven someday. Randy encourages kids to live "in Light of Heaven."

There's so much more to the story. Todd and Sonja Burpo's almost-four-year-old son Colton made an unforgettable trip to heaven and back during the darkest, most-stressed-out days of their lives. Times were tough, money was scarce and the bills, frustrations, and fears were piled high. The story of Colton's visit to heaven changed their lives—and the book they wrote about it, Heaven Is for Real, gave new hope to millions of readers. In Heaven Changes Everything, the Burpos share details about their experience and about Colton's visit to heaven that they weren't able to include in the original story or in the Sony Pictures release of the Heaven Is for Real movie. Practical and inspiring, the short essays shed light on living with a miracle and the afterlife, each ending with a relevant scripture. Listen in as Todd, and for the first time ever Sonja, from her perspective as a mom, show you how believing heaven is for real helps us survive hardships here on earth, including the death of a loved one or the loss of a child through tragedy, miscarriage, or even abortion. This newly revised edition offers bonus material including: New foreword Never-before-seen family photos Favorite scenes from the movie Q&A section Come see how heaven can indeed touch earth and change everything.
