Slade Walk Of Shame Audiobook 1

Henry Knox has hurt the one person that meant something to him, the only person he has loved. He became involved with drugs, alcohol and the wild life. But what he really wants is real love and the high that comes along with it.

Slade Merrick is a sex addict. Other people see that as a problem, but he sees it as passion. When he meets Aspen he finds that he wants more for the first time in his life.

My name is Cale Kinley and I'm a fucking Virgin... Well, with the exception of my tongue. The countless things I can do with my tongue are bound to leave you breathless and begging for more, but more... is something that I can't give. It's a choice. My choice. There's a reason for that. A very good reason, and that reason is her. Riley. She's the only woman that I want to bury myself deep in. The one woman I have wanted since I was old enough to fuck. I never got my chance though, because she left. She had no choice and it stung like hell. But I couldn't let her leave without telling her how I felt. I wanted her to be my first and I didn't give a shit how long I'd have to wait. It's been six years and now she's back and sexier than all hell. Just the sight of her stops my damn heart from beating. I want her and for more than just having her as my first. I'm determined to have her in every way possible. She thinks this is still a game; that I've already given myself to countless women. What she doesn't know is that I have a lot of willpower. When I want something as badly as I want her, I don't let shit stand in my way. I'm going to prove that to her. There's just one little problem I need to take care of... Him.

My name is Kash Knight and I'm a fucking protector... It runs deep in me, this need to dedicate myself to a woman and make her feel secure and cared for in every single way. Not just physically, but emotionally. But when women see my hard body, all they want is for me to pleasure them and give them their ultimate fantasy. I need something more though, someone I can give my heart to. And when my eyes land on the sassy blonde that seems too busy to put her needs first, I know without a doubt that it's her I want to take out and show what it feels like to go out with a real man. To be touched by a real man. Eden Quinn... I need a chance for her to see me as something other than just a male fucking stripper- a dirty temptation that knows how to make a whole room of women hot and wet. Slowly, I begin to work my way in and when I find out she has a son that means more to her than life itself, I want so much more than I ever could've fucking imagined. I want to take care of them and show Eden what it's like to be safe and protected. I'm making her mine and nothing is going to stand in my way... not even him.

Walk of Shame 2nd Generation (Full Series) includes Stone, Styx and Kash. Stone (Walk of Shame 2nd Generation #1) My name is Stone Ridge and I'm a fucking go getter... I set my sights on what I want and go after it. Not giving up easily is what I'm known for. Well... that and shaking my dick for money. I take pride in knowing I'm damn good at both. Screaming girls everywhere, willing to drop their panties for me and toss their money my way, yet there's only one girl that I can't get out of my fucking head. Especially since she's my damn roommate. Sage Knox... Things were hot between us, both of us looking for the best fucks of our lives; a way to have fun and get off without becoming attached. Until I decided that being attached to her is what I want. She pushed away, afraid of being hurt like she has been since the day her parents abandoned her and her brother Hemy. Every single person in her life has crushed her. I understand her worries and I'm willing to do anything now to take them all away. I'm making her mine one way or another... beginning with my damn body. Styx (Walk of Shame 2nd Generation #2) My name is Styx Sterling and I'm a fucking giver... Most would say of great orgasms and rough sex, but I have so much more to offer, and when I find the right one I'm giving her everything that I fucking have in me: my heart, my soul, and my life. So much more than my asshole father could ever give his family. As fun as it is to have it easy, knowing that I can have any girl I desire, it's no longer enough. I need much more than that. My desires exceed more than a quick fuck with a woman that simply wants me because I'm a fantasy... a popular male entertainer with a big cock. I may give off the impression that I'm just a man-whore that takes any hot woman to bed, but there's so much more to me than that. It will just take someone looking deeper than my exterior. My heart is looking for a reason to ache. Meadow Jenkins. I knew the second my eyes met those curious green ones at the gym that she was different than the rest.

That she wanted to learn about me. Unlike the others, she didn't jump at the opportunity to have me inside her. Now, I want inside her in more ways than one. Kash (Walk of Shame 2nd Generation #3) My name is Kash Knight and I'm a fucking protector... Walk Of Shame (Full Series) + 3 Bonus Chapters! Slade (Walk Of Shame #1) My name is Slade Merrick and I'm a fucking sex addict . . . I've been told it's a problem. But I see it as a passion; something that I'm good at. And who the fuck stops something that they're good at? They want me to seek help; get my cock in check. Don't judge my lifestyle. You're no better than me. Just admit it, you like to fuck too. Sex is what I do best; my own personal high, so I embrace it instead of being ashamed. When I'm not fucking, I'm slinging drinks at Walk Of Shame or stripping my way into your bed; another thing I'm good at. Every woman's darkest fantasy brought to life. So, am I stopping? Fuck no. Sex is beautiful, raw and erotic and I get off knowing I can have it with anyone I want . . . with the exception of her. Aspen.

She walks into the club swaying those hips, instantly drawing my cock to attention. She's pure perfection. That is, until she opens that mouth, drawing me in and for the first time in forever I want something more than sex. I want her and she hates it. Things get dirty. Dirty is what I like; it's how I live. But . . . she's playing a game she can never win. Hemy (Walk Of Shame #2) My name is Hemy Knox and I'm a fucking heartbreaker . . . I've hurt the one person that means the most to me in life; the only woman I have ever fucking loved. I let the drugs, alcohol and wild life take over; consume me. I got her where I wanted her and ripped her fucking heart out. Since then, I've spent countless nights having dirty, meaningless sex with a multitude of people; only leaving them wanting and begging for more with no regrets. Some may even call me the devil; soulless. They look and judge, but there is one thing they don't know; no one does. I want more than this life of stripping and sleeping around; the never ending party. I want love and everything that comes with it; that high that never ends. The problem is . . . I only want it with her. Onyx. She refuses to be mine . . . again. She's smart and it's a mother fucking pain in my ass; guarding her heart while ripping mine right out of my chiseled chest. I can't say that I blame her. I always was a dumb ass when it came to the emotions of a woman, especially her. She wants to see me suffer as much as I made her; watch me wither and fucking die at her feet. She wants to crush me until I'm no longer breathing and I will let her, because it hurts far less than not having her as mine. I will stop at nothing to make her mine again. The pain only drives me harder; feeding my fury and giving me a reason to live . . . her. Cale (Walk Of Shame #3) My name is Cale Kinley and I'm a fucking Virgin... "Baby, the first thing I need to know from you is do you believe I killed my father?" So begins Upstate, a powerful story told through letters between seventeen-year-old Antonio and his sixteen-year-old girlfriend, Natasha, set in the 1990's in New York. Antonio and Natasha's world is turned upside down,

and their young love is put to the test, when Antonio finds himself in jail, accused of a shocking crime. Antonio fights to stay alive on the inside, while on the outside, Natasha faces choices that will change her life. Over the course of a decade, they share a desperate correspondence. Often, they have only each other to turn to as life takes them down separate paths and leaves them wondering if they will ever find their way back together. Startling, real, and filled with raw emotion, Upstate is an unforgettable coming-of-age story with a message of undeniable hope. Brilliant and profoundly felt, it is destined to speak to a new generation of readers.

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

Sexy, tattooed and inevitably dangerous. Memphis is all that and more... I live for the pain; it's what drives me to keep moving. But there comes a time when one has to push the demons aside in order to survive. I thought I buried them deep. I thought I was ready to finally live. Until... my brother, Alex; he throws me into the fire-right into the place I could never control myself, the one place I never want to be again. When I put my hands on people, they get hurt. Things happen that bring me back to that night. The one that will forever torment me. I'm doing fine, keeping to myself in order to ensure no one gets hurt by me. Then along comes Lyric, and all I want to do is touch her, to put my hands in places that I know will only lead to her being crushed by me. She's the rush that I crave. The darkest of poison running through my veins, killing me bit by bit; like a drug I can't get enough of even though I'm almost down to my last breath. And being around her only hurts more, but what she doesn't understand is that I welcome the pain; I get off on it, which in the end leaves me with the hardest decision of my life-one that might get us all killed...
