This bundle offers books one and two in one convenient file, with over 100,000 words of reading. In HER LAST WISH (Book #1), FBI Agent Rachel Gift, 33, unparalleled for her ability to enter the minds of serial killers, is a rising star in the Behavioral Crimes Unit—until a routine doctor visit reveals she has but a few months left to live. Not wishing to burden others with her pain, Rachel decides, agonizing as it is, not to tell anyone—not even her boss, her partner, her husband, or her seven-year-old daughter. She wants to go down fighting, and to take as many serial killers with her as she can. A serial killer strikes in the Virginia area, targeting women who seek fertility treatments. As Rachel enters his sick and twisted mind, she struggles to understand his motive, or the connection between the victims. Worse, the case strikes too close to home, bringing up memories of her own fertility treatments, and her failed mission to have a second child. As she seeks insight from a diabolical, jailed serial killer, she immediately realizes it's a mistake. Can he see right through her? Can Rachel keep her secret and keep her deteriorating health at bay long enough to finish the job? Can she fulfill her own bucket list before she dies? My name is Alix and I am addicted to sex. Had been for years. I thought I learned how to live a normal life, but that's the thing about addiction, it creeps back up when you least expect it. There is no one there for me, no one I can turn to for help. Until I'm given a chance to explore a side of myself I'd always kept locked away. I was lost...until him. I can't tell you who he is, or why he does the things he's done. All I can say is I hope one day I behave well enough to take off the blindfold and see the man who controls my addiction. My Master. My name is John and I am addicted to control. I tried to deny the dominate side of my personality. I didn't want to admit how much I enjoyed the power, how much I enjoyed causing pain. That is until the woman I'd been secretly been stalking waltzed into a BDSM club right in front of me. All bets are off. She will be mine. Together our addictions feed off each other, fueling the fire that burns within. Until suddenly the fire is too hot to handle, burning everything in its path. The pain and scars we'd both come into our fragile relationship with are split wide open, exposing more than either of us can handle, possibly leaving nothing behind to salvage from the ashes.

WINNER OF THE ROBERT F. KENNEDY BOOK AWARD • “A searing trip into the heart of homelessness” (Chicago Sun-Times) that jolted the American conscience “Jonathan’s struggle is noble. What he says must be heard. His outcry must shake our nation out of its guilty indifference.”—Elie Wiesel Jonathan Kozol is one of America’s most forceful and eloquent observers of the intersection of race, poverty, and education. His books, from the National Book Award–winning Death at an Early Age to the critically acclaimed Shame of the Nation, are touchstones of the national conscience. First published in 1988 and based on the months the author spent among America’s homeless, Rachel and Her Children is an unforgettable record of the desperate voices of men, women, and especially children caught up in a nightmarish situation that tears at the hearts of readers. With record numbers of homeless children and adults flooding the nation’s shelters, Rachel and Her Children offers a look at homelessness that resonates even louder today.
