When twelve-year-old Billy Straight, a runaway struggling to survive L.A.'s most dangerous streets, becomes the sole eyewitness to a brutal murder, he becomes the target of the media, bounty hunters, and a killer, as L.A.P.D. homicide detective Petra Connor races against time to save his life.

A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily. Scholastic Book Club Selection Winner of 6 state awards: Alabama Camellia Award (2010-2011), Arizona Grand Canyon Reader Award (2011), California Young Readers Medal (2011-12), Georgia

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site.

A history of celebrity from Byron to Beckham Love it or hate it, celebrity is one of the dominant features of modern life—and one of

## Read Free Hi Guess The Celeb Answers Level 2

the least understood. Fred Inglis sets out to correct this problem in this entertaining and enlightening social history of modern celebrity, from eighteenth-century London to today's Hollywood. Vividly written and brimming with fascinating stories of figures whose lives mark important moments in the history of celebrity, this book explains how fame has changed over the past two-and-a-half centuries. Starting with the first modern celebrities in mid-eighteenth-century London, including Samuel Johnson and the Prince Regent, the book traces the changing nature of celebrity and celebrities through the age of the Romantic hero, the European fin de siècle, and the Gilded Age in New York and Chicago. In the twentieth century, the book covers the Jazz Age, the rise of political celebrities such as Mussolini, Hitler, and Stalin, and the democratization of celebrity in the postwar decades, as actors, rock stars, and sports heroes became the leading celebrities. Arguing that celebrity is a mirror reflecting some of the worst as well as some of the best aspects of modern history itself, Inglis considers how the lives of the rich and famous provide not only entertainment but also social cohesion and, like morality plays, examples of what—and what not—to do. This book will interest anyone who is curious about the history that lies behind one of the great preoccupations of our lives. Some images inside the book are unavailable due to digital copyright restrictions.
