That's in honor of Galileo, who was accused of heresy by the Roman Catholic Church for insisting that ... IceCube looks down through Earth to detect high-energy cosmic particles called neutrinos ...

In recent decades a definite trend toward churchianity has developed within evangelical churches, moving even toward Eastern practices like meditation and yoga. The use of candles, robes, and repetitious responses is making a comeback. We are witnessing a return to pre-Reformation times, when huge cathedrals were packed with people who superstitiously sought salvation in the practice of sacraments, the worship of saints, and the purchase of indulgences. High church heresy examines this trend in the light of scripture, and exposes resurgent Catholicism and Orthodoxy for what they really are: cheap, defective substitutes for authentic Biblical Christianity.

This is a work of considerable strategic importance for the ecumenical movement and for the Anglican Communion. It describes and interprets Anglican understanding of the Christian Church, from the Reformation to the present day.This book presents the development of Anglican identity and ecclesiology in its historical context, focusing particularly on Anglican engagement with the Roman Catholic and Protestant traditions. The book also provides substantial accounts of the major Anglican theologians, from Richard Hooker to modern writers.In this new and expanded edition, Paul Avis includes discussions of the influence of evangelical theology and reflects on the integrity of Anglicanism for the future.
