Wounded Souls

Book 1

I can't stand Wes Sullivan. There's only one problem: he's my new roommate. Wes is a cocky military man. He might have left the Army, but the Army hasn't left him. I hate everything about him. How he tries to control everything,

And especially how good he looks in just a towel. I can't stand the sight of Wes's gorgeous abs, because it makes me want him... ..and he's all wrong for me.

Okay, we have two problems. Scratch that—three problems.

The third problem is that he knows my darkest secret now. He understands. And if he leaves now, I won't just lose his half of the rent. I'll lose my heart.
