English professor and mother Carolyn Weber tells how her desire to control the events of her life came into contact with God's desire to give her each day as a gift from himself. Join her on a winding path through literature, history and daily life—leading finally to the still, quiet place of the present moment.

Bruce Epperly's Holy Adventure brings to the task of lay Christian formation a balance of spiritual depth and intellectual honesty that is, quite frankly, difficult to find among today's Christian Education resources.

A beloved contemporary classic, Holy Days is a personal account of New York's Hasidic community, its beliefs, its mysteries, and its encounter with secularism in the present age. Combining a historical understanding of the Hasidic movement with a journalist's discerning eye, Harris captures in rich detail the day-to-day life of this traditional and often misunderstood community. Harris chronicles the personal transformation she experienced as she grew closer to the largely hidden men and women of the Hasidic world.

The myriad events and interactions that make up our everyday life provide a rich opportunity for us to examine our impulses and actions and grow spiritually, according to the Jewish practice of Mussar. Mussar is an eminently wise, practical, and effective way to cultivate awareness, gratitude, personal growth, and ethical action on a daily basis. The path has its origins in Orthodox Judaism but it has become popular with Jews of all affiliations who are interested in a practice that can infuse daily life with more purpose and meaning. This daybook will be an essential companion to anyone who wants to experience this life-changing contemplative practice. Using a "soul trait" such as honesty, courage, enthusiasm, honor, and equanimity as a starting point, each practice page includes: • a teaching that illuminates the trait of the day • an affirmation phrase focused on that trait • a practical exercise to expand our experience of the trait • a space for journaling about experiences with the trait To learn more, visit www.mussarinstitute.org.

Mussar is an illuminating, approachable, and highly practical set of teachings for cultivating personal growth and spiritual realization in the midst of day-to-day life. Here is an accessible and inspiring introduction to this Jewish spiritual path, which until lately has been best known in the world of Orthodox Judaism. The core teaching of Mussar is that our deepest essence is inherently pure and holy, but this inner radiance is obscured by extremes of emotion, desire, and bad habits. Our work in life is to uncover the brilliant light of the soul. The Mussar masters developed transformative teachings and practices—some of which are contemplative, some of which focus on how we relate to others in daily life—to help us to heal and refine ourselves. You may say that you love your family, your spouse, your church, or the Lord. You may also express love for more temporal things like a good cup of coffee, your home, or a nice dinner at your favorite restaurant. But it is rarer to truly say "I love my life!" It's common to be more frustrated with life than at peace with it, because the daily grind wears you down. Responsibilities and burdens become heavy and rob you of the happiness you're meant to have as a child of God. But you can be hopeful, learn to rise above your challenges, and be filled with wonder at what God might do every day. Written by #1 New York Times bestselling author Joyce Meyer, who has gone from heartache to happiness through Christ, this book is the key to shifting your perspective so that you may also relish every moment and every part of life. You will learn how to love life fully, in spite of your obstacles, and experience the happiness that is promised to you. Joyce will explain: Why you can't love life unless love is the central theme of it, Why your attitude affects your life more than any outside circumstances, How the love, help, and kindness you give away will come back to you immeasurably, How to look to the future and keep your joy, And so much more! God has already blessed you with a life to love--and it's time to start LIVING A LIFE YOU LOVE.

Bestselling author and pastor Lloyd John Ogilvie has spent years observing—and experiencing himself—the deep needs of Christians, and why those needs for love, comfort, guidance, or discernment often go unmet. In Experiencing the Power of the Holy Spirit, he draws on Scripture to illuminate the living and active work of the Spirit. Because many believers have a limited view of their great Advocate, Counselor, Helper, and Companion, they don't realize that in day-to-day life they can depend on Him to... encourage, guide, and correct them, and prompt them to speak or act appropriately help them identify deep motives and penetrate to the root of personal struggles help them discern in prayer what is best in a situation When believers build their lives upon reliance on the Spirit, they can live confidently in life's stressful situations and relationships, knowing they have a Friend who is always there to help.

Like many people, you may find it easy to express love for your family, your spouse, your church, the Lord-or for more temporal things like a good cup of tea, your home, or a nice dinner at your favorite restaurant. But you may struggle to truly say "I love my life!" Routines and responsibilities can become a grind, making you dread today, rather than look forward to it. Privileges can become burdens that rob you of the joy and fulfillment you're meant to have as a child of God. But you can be hopeful, learn to rise above your challenges, and become filled with wonder at what God can do in your life. Written by #1 New York Times bestselling author Joyce Meyer, who went from being in pain and miserable to peaceful and satisfied through Christ, this book is the key to shifting your perspective so that you may also relish every moment and every part of life. Joyce explains how to love life fully, in spite of your obstacles, so you can experience the joy and fulfillment God has for you! Chapters include: God Has an Amazing Plan for You, Refuse to Let Fear Determine Your Destiny, See Each Day as an Opportunity, and Be the You God Created You to Be! The key to loving your life is found in God's love for you. When you make Him the focus of all you do it will transform your attitude, so that you can really enjoy each day. Learn how God can help you maintain a joyful attitude, making love and kindness top priorities, and what you give away will come back to you immeasurably. As Joyce explains, God has already blessed you with what it takes to start LIVING A LIFE YOU LOVE. And this book will show you how.
