Presents a collection of illustrated kitchen, home, and garden tips, and features home projects that require a small number of steps and materials.

In this practical and entertaining guide, the top veterinarians and animal experts in the country offer more than 1,000 effective tips for treating common pet problems, such as: allergies, bad breath, ear mites, fleas, itchy skin, paw problems, teething pain, weepy eyes, and wounds. But, much more than a guide to the physical and emotional problems of pets, The Doctors Book of Home Remedies for Dogs and Cats also provides solutions to some of the toughest behavior problems, letting pet owners know when it is necessary to visit the vet--and what they can do until they get there. Since the health needs of dogs and cats are often entirely different, there are also specific tips for both cats and dogs, along with more than 75 easy-to-follow illustrations. Having this ultimate do-it-yourself pet-care book is like having a veterinarian on call 24 hours a day.

The essential home medical reference guide for children from infancy through age twelve, The Doctors Book of Home Remedies for Children is a book no parent will want to be without. It contains safe and easy home remedies for the bumps, bruises, aches, pains, scratches, and sniffles that come with childhood. The editors of Prevention Magazine Health Books asked more than 250 doctors, nurses, and health-care professionals for healing tips and techniques that parents could use at home. The result is this practical, easy-to-use medical reference for hundreds of childhood ailments. Inside you'll learn what medical experts do to stop bee stings from hurting, keep poison ivy from itching—and even stop siblings from fighting. "Medical Alerts" tell parents when to call a doctor, a "Prevention" section provides pointers for keeping kids accident-free, and under "First Aid" you'll find essential emergency procedures. Now every parent can get doctor-recommended remedies, for everything from allergies and animal bites to toothaches and TV addiction.

Offers practical strategies to help people live green at home, explaining how they can cut energy costs and consumption by changing the way they heat, cool, light, and fill their homes.

Offers ideas to increase usable space in a home and add warmth and character, including tips on designing a window seat, planning a recycling area, and using tile to personalize a kitchen or bathroom.

What do doctors do when they get sick? The editors of Prevention Magazine Health Books asked more than 500 of the nations top specialists to recommend their best doctor-tested and easy-to-follow remedies for 138 illnesses and maladies. This complete, practical guide contains the distilled experience of health professionals who offer more than 2300 accessible healing tips for the most common medical complaints. In this handy reference you will find curative techniques and symptom-relieving treatments for bladder infections, depression, emphysema, headaches, premenstrual syndrome, toothaches, and much more. Here are invaluable at-home solutions for annoying afflictions such as canker sores, dandruff, and snoring as well as methods for coping with more serious health problems such as high cholesterol, ulcers, and backaches. The Doctors Book Of Home Remedies is like having a doctor on call 24 hours a day. So treat yourself to this prescription for health and stay well.

Offers home remedies for 120 health issues of concern to people over sixty years old.
