OFF THE GRID WITHOUT A PADDLE is the true story of two greenhorns, escapees from the gritty City Of Los Angeles, who buy a home off the grid in a tropical mountain rainforest in rural Hawaii, with fantasies of utopia and dreams of self-sufficiency, but no real idea of what they're getting into. In their first year in an unfamiliar new world, the high-tech, low-tech, no-tech learning curve is steep and hilarious: exasperating, exhilarating . . . exciting! Whether or not you share the dream of moving off the grid, you'll get a laugh out of their unexpected adventures.

Arvid Falk is a young and idealistic government worker who always wanted to be a poet. When a journalist writes a newspaper expos é based on Arvid ' s stories about his useless government department, Arvid is fired immediately. Starting afresh he sets out to explore every corner of the Swedish society, and the hypocrisy and corruption he finds shocks him. Walking the streets of Stockholm will never be the same again once this novel gets under your skin. Named the first modern Swedish novel, ' The Red Room ' (1879) is wonderfully insightful and ironic. The Charles Dickens influence is undeniable and Strindberg ' s writing has been rightfully compared to that of Henrik Ibsen as well. August Strindberg (1849-1912) was a world-famous Swedish playwright, who, in Sweden, was known for his novels, poems, essays and paintings as well. Along with Henrik Ibsen, Hans Christian Andersen, S ø ren Kierkegaard and Selma Lagerl ö f he is one of the all-time most influential authors of Scandinavia.

"More than a hundred people killed on a bright spring day. The city's most beautiful and iconic landmark in ruins. The man accused of setting the fire is dead, buried in the rubble along with answers to the question, "Why?" As Juni Bruder of the Orlando Herald talks to rescuers and survivors, she cant shake the feeling that something isnt right. The official story doesnt ring true. Her interviews become front-page news. So does her suicide, a year after the blaze. Her brother Peter, a Jesuit priest, finds a clean apartment and a stack of papers sealed in plastic bags. Sifting through his sisters effects, he reads the stories of the dead, from the architect who designed the famous building to the janitor blamed for destroying it. A file on Junis laptop will reveal the hidden threads that bound the victims together, the seemingly random acts that brought them to a single place and moment in time. In the end, the answers Juni seeks wont be the ones she finds. Told through an inspired mix of puzzle pieces--news stories, phone transcripts, press releases--and filled with gallows humor, this is a novel about life, loss and the slippery nature of truth--Provided by the publisher.

Learn to draw colossal dragons and legendary heroes! It was a stormy night in Northern Wales when I and my apprentice, Conceil, had to take shelter in an old stalkers cottage along Caernarfon Bay. A peat fire was lit, and our guide, Sir Geoffrey Guest, regaled us with ancient stories of dragons while, outside, the gale battered the coastline.... What follows is a retelling of classical legends, plucked from the folklore of cultures spread across time and around the world, from ancient Greece and China to Medieval England and Norse mythology. You'll discover the epochal dragons who reigned over snow and sea; those with wings and flaming maws; those who thwarted Beowulf in underground lairs; and those slain by Hercules' mighty sword. Dracopedia Legends presents 13 epic tales of heroes vanquishing dragons, accompanied by lavish dragon illustrations inspired by the myths. Acting as both a storybook and art guide, each chapter also includes in-depth instructions to reveal how to conceptualize, research and design every iconic battle scene, broken down into multiple stages so you can create your own commanding and evocative narrative paintings. Includes: • 13 tales of the most legendary dragons from around the world • Instructions for drawing and painting each climactic clash between hero and beast • How to design, sketch and develop illustrations into layered and detailed final paintings The fourth book in the best-selling Dracopedia saga!

Through humor, whimsical story-telling and spiritual insight Joseph Fehlen shares his journey of becoming a motorcyclist at the age of 34. A man with a family, career, and perfectly normal life gets permission from his mom and wife, trades in his car for a motorcycle and begins an adventure that teaches him lessons about life, faith and what really matters most. Ride On is filled with a whole cast of endearing characters complemented by the intricacies of the motorcycle culture. In a garage logic sort of way, Joseph interweaves the lessons he learned with those Jesus modeled, creating a tapestry of learning opportunities for the reader. With uncanny clarity these real life situations will assist even those who have never ridden a motorcycle, or even plan to experience one of life's greatest joys. Come and join him as you ride on! Keywords: Zen and the art of motorcycle maintenance, Motorcycle club, Motorcycle adventure, motorcycle man, motorcycle diaries, motorcycle travel, motorcycle books, motorcycle Jesus,

In the secluded darkness of an early spring night, Lisa Marie Kimmell and her sporty black Honda vanished from a Wyoming desert highway. Frantic, Lisa's family and friends mounted a tireless search for the missing 18-year old across three states. The answer to Lisa's disappearance was found a week later in the icy waters of the North Platte River. The first search was one of love and futility. After Lisa was found murdered, a second search was launched. A search for justice. Ron and Sheila Kimmell were determined to find their daughter's murderer despite the many jurisdictional and bureaucratic obstacles they encountered. It would take years before the mystery unraveled and the Kimmell's discovered truths more horrifying than anyone could imagine. Numerous similar homicides remain unsolved in the western states. Are they connected in some way? Can Ron Sheila's relentless pursuit for justice help find answers for other families?--back cover.

Unlike some pigs, Perky does not like to be dirty! Of course, not all the pigs at 126 Mud Avenue agree with him. The little girl who lives on the farm, Sandy, doesn't either. With everyone doubting his advice, Perky overcomes their doubt in him and finds the courage to tell them, "Stay clean and stay healthy, so that all of us can grow up healthy and be able to enjoy the good things that life has to offer."

"The only edition that contains in one place all of the writings that Dr. Helen Schucman, its Scribe, authorized to be printed"--P. [4] of cover.
