For courses in Financial and Managerial Accounting. Horngren's Financial and Managerial Accounting, The Managerial Chapters presents the core content of principles of accounting courses in a fresh format designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a student experience free of obstacles. Their pedagogy and content uses leading methods in teaching students critical foundational topics and concentrates on improving student results--all tested in class by the authors themselves. With this in mind, the 6th Edition continues to focus on readability and student comprehension and takes this a step further in the managerial chapters by employing a new theme to help students see how managerial accounting is used as a tool to help all business people make decisions. By providing more meaningful learning tools, this title gives professors the resources needed to help students clear hurdles inside and outside of the classroom, like never before.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab(tm) and Mastering(tm) platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For courses in Financial and Managerial Accounting. Expanding on proven success with Horngren's financial and managerial accounting Horngren's Financial and Managerial Accounting presents the core content of principles of accounting in a fresh format designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a reader experience free of obstacles. Their pedagogy and content uses leading methods in teaching readers critical foundational topics and concentrates on improving results--all tested in class by the authors themselves. With this in mind, the 6th Edition continues to focus on readability and comprehension and takes this a step further in the managerial chapters by employing a new theme to help individuals see how managerial accounting is used as a tool to help all business people make decisions. By providing more meaningful learning tools, this title gives readers the resources needed to them clear hurdles like never before. Also available with MyLab Accounting MyLab(tm) Accounting is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. For courses in Financial and Managerial Accounting. Expanding on Proven Success with Horngren's Financial and Managerial Accounting Horngren's Financial and Managerial Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Fifth Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. MyAccountingLab® not included. Students, if MyAccountingLab is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MyAccountingLab should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. MyAccountingLab is an online homework, tutorial, and assessment product designed to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts.
