Rebecca Hap Comics - Comic Vine
Rebecca har med serien "Housewives At Play" skilt sig ud fra mængden ved at skabe en tegneserie så skamløs, tabuoverskridende og amoralisk, at det enten kun kan vække forargrelse eller beundring. Hendes sirlige blyantsskitser er ved første øjekast uskyldige, fordi stregen er udpræget feminin, præget af fine skraveringer og mange detaljer.

Demands! Nagging! Complaining! Whining! Mommy is sick of it! and now it's Mommy's turn to be the boss! And thankfully The Eros Master of America's Main Street is there, lurking, studying and capturing the suburban sexual secrets of our time in her totally awesome pencil renderings of raunch and rambuncton!

REACHING NEW HEIGHTS ON SOLO FLIGHTS!!! Sometimes a busy, mature housewife just needs a little alone time, y'know? Some time to get in touch with herself... to recharge her batteries. Which sometimes means draining a few batteries. And a little baby oil. Or the garden hose. There might be a spatula involved. Possibly a banana. And what's Mom doing with her teenage daughter's class photo? From the kitchen to the laundry room, in the backyard and in the bedroom, and even at the store, these intimate personal moments are captured in loving detail in this gallery of sensuously shaded pencil drawings by Rebecca, who obviously knows a thing or two (or seven hundred) about XXX-rated suburban sexuality.

Those Housewives have been naughty... very naughty. But they rarely get what's coming to them... until now! **Housewives at Play: Hanky Spanky** features another heaping helping of gorgeous Rebecca art, this time depicting the Housewives in all sorts of painfully compromising positions as punishment is meted out... in spades! Face it, if they're going to be a pain in the ass, it's only a time before karma catches up with them... in the end!

There's no more experienced guide through the world of woman-on-woman desire than the prolific artist who calls herself, Rebecca, and this newest collection of her sumptuous, super-realistic pin-up art is her hottest, most intensely erotic volume yet! This searing salvo of Sapphic suburban seduction features Rebecca's lovely, lusty, lushly-drawn ladies in the grip of forbidden passion and untold pleasure. together or by themselves, these mature, experienced women know what it takes to fulfill their most profound urges - much tot he surprise of their husbands.

Afternoon tea with the ladies of the neighborhood is something entirely more than oolong and cookies in Rebecca's lushly-pencilled world. After the finger sandwiches are put away and the niceties are exchanged, the spanking begins. This is another great album from erotic art's queen of the bedroom community.

Rebecca knows where the mothers are and what kind of filthy, fun frolics they're up to, and she's gathered them here in a mother of a collection. She's found them offering up tempting treats at the bake sale, being raffled off at the flea market, getting unholy in the church pews and disrobing at the school bus stop. They're out and about at the pool, the waxing salon, and the comic convention. They're outside in the yard, flashing the neighbors, and getting cozy with the teen girl down the street. They're enjoying themselves -- and each other -- right at home sweet home. And nobody captures their sultry, slutty escapades like the one and only Rebecca. Yes, these sapphic suburban sirens aren't hard to find if you know where to look -- right here in these pages!

Afternoon tea with the ladies of the neighborhood is something entirely more than oolong and cookies in Rebecca's lushly-pencilled world. After the finger sandwiches are put away and the niceties are exchanged, the spanking begins. This is another great album from erotic art's queen of the bedroom community.

Rebecca's first steamy album of pencil-drawn pin-ups features page after page of suburban women getting down and dirty. Mmmm! Everyone loves lesbians - and the stylish REBECCA is certainly no exception! Recalling the grace and silky style of classic pin-up illustrators (think of Gill Elvgren with a nasty, XXX flair!) this lusty lady renders the dirtiest fantasies of horny housewives in some of the most sensuous pin-ups you've ever laid eyes on! While hubby's off at work, these Sapphic sweeties quickly strip down and get down to business of getting each other off with a mind-bending assortment of sex toys and kinky situations! Watch as suburban housewives are tied down to the dinner table and forced to serve their horny neighbors, sold at yard sales to lusty lesbians, bound to trees and displayed for the amusement (and use!) of passers-by, etc. - to be tickled, teased and tortured by vivacious vamps with a variety of strap-ons, dildos, vibrators, paddles and whips! Like their lucky hubbies, your look of surprise will surely give way to pleasure when you see just who's cumming for dinner!

Over voluptuous hill and dale cum Rebecca's titular hot mom's, seeking pleasure al fresco, au-natural! Sleazy or serene, private or public, these horny housewives and hot moms are showing everything they've got in the great outdoors!

The barbecue is hot - and so are the women of Rebeccaland, grilling their asses and toasting their feet with sensual torture and tears! The recipe calls for lactating breast milk and cookies that will make these fingers good to lick! It's a giant collection of Rebecca's beautiful moms and daughters out in the open, smack-dab in the middle of suburbia.
