How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

ASK ANY MAN. If you can get him to admit it, he'll probably tell you that he would like to be made love to almost as much as being a good lover. In the past, it is the man who has been responsible for not only the lovemaking, but the romance: candlelight, flowers, music, and tenderness. HOW TO MAKE LOVE TO A MAN, a classic best-seller, is the first book to focus on men's sexual and emotional needs, and to talk to today's woman who would like to be an active partner but doesn't quite know how. More than a manual for having sex (though it is that too), this is a guide to the art of making love. The author, after interviewing doctors, sex therapists, women, and most important, more than 200 men, has been able to understand men's deepest emotional needs. The author discusses what men find sexy in a woman; how to show a man that you are interested, how to get a man to share his emotional and sexual needs, how to enhance sex through a massage, touching, and improved timing, and much more. Whether married or single, the reader will gain new insight on making "whole" love—developing the attitude and the understanding that make the love act complete and meaningful. From the Hardcover edition.

No more excuses for a sexless relationship. Here's a program that finally gets to the root of a silent epidemic. Andrew G. Marshall, Great Britain's premier relationship expert and author, brings to the States his research-based program for ending obligatory 'going through the motions' sex. In *Have the Sex You Want*, Marshall moves away from the symptoms and causes of low-sex and sexless relationships, and digs immediately into offering the cure—a 10-week program that strips lovemaking down to its basics and eliminates bad habits that are driving couples apart. Couples relearn how to turn each other on, set their fantasies free, and introduce new ideas that will turn their lovemaking into an erotic, passionate, connected experience. At the heart of Marshall's program is establishing safe communication and trust without feeling fear, shame, or resentment. Marshall's secret to engaging in fulfilling and plentiful sex, is to avoid it completely—a paradox that has proven time and time again to work. From the beginning of the program, couples engage in *A Month of Sensuality*—four weeks of understanding their

After they have completed A Month of Sensuality, couples graduate through two more phases that lead them to learn about different types of fantasy, orgasm, masturbation, and communication regarding what they want and need to not only have the sex they want, but the sex they always imagined they'd have. Andrew Marshall's progressive methods to bring a couple back together physically, sexually, and emotionally are practical and pleasurable and guaranteed to give you what you and your partner deserve—an active, erotic, transformative sexual relationship.

What you're reading right now is known as the "cover copy," or "flap copy." This is where the 84,951 words of my latest book are cooked down to 350 words or less to capture your imagination/download. I pondered how to do that. Should I cut to the chase and reveal pivotal plot points like the one at the end of the book where the little girl on crutches points an accusing finger and shouts, "the killer is Mr. Porter"? No. I have too much respect for you as an intelligent consumer to attempt such an obvious ruse. But let's not play games here. You clicked your way to this page, so you either: A. Know who I am. B. Like the cool smoking jacket I'm wearing on the cover. Or: C. Thought this was a secret link to Ashley Madison. Is it a sequel to my autobiography *If Chins Could Kill: Confessions of a B Movie Actor*? Sadly, no, which made it much harder to write. Is it an "autobiographical novel"? Yes. I am the lead character in the story (coincidentally an actor), and I am a real person, and everything in the book actually happened - except for the stuff that didn't. The action revolves around my preparations for a pivotal role in the A-list relationship film, *Let's Make Love!* My Homeric attempt to break through the glass ceiling of B-grade genre fair is hampered by a vengeful studio executive and a production that becomes infected by something called the "B-movie virus" - symptoms of which include excessive use of cheesy special effects, slapstick, and projectile vomiting. From a violent fistfight with a Buddhist to a life-altering stint in federal prison, this novel has it all. And if the 84,951 words are too time-consuming, there are lots and lots of cool graphics – all of which have been upgraded to vibrant color since the first publication. I hope you enjoy the book – and if you learn anything at all about making love, please share it with me! Regards, Bruce "Go Ahead and Call Me Ash" Campbell

Michael Morgenstern asked women all over the country, from all walks of life, and discovered the answers men seek. "Will make life--sex life, anyway--easier for men and infinitely more pleasurable for women." "Cosmopolitan

In this modern-day, our view of love has become so skewed that we are failing to differentiate between pretence and the real deal. We have built stereotypes about how love should be and how it shouldn't be. To an extent, we have gone to commoditise "love" itself. "Love like Love" is an attempt to break a few of those notions and myths about love. More than anything, it's a silent attempt in helping people understand, the most underrated feeling of our generation called "Love"

So begins the no-holds-barred autobiography of Monica Mayhem—a porn star and proud of it. In her funny and disarmingly candid voice, she reveals the ins and outs of making it big in Los Angeles, the pornography capital of the world. Just how did a girl who was taunted at school because her eyes were "too big," and who carved out a respectable career for herself trading oil futures in the financial markets of Sydney and London, go on to make over four hundred hardcore adult movies (and counting), win numerous industry awards, and even land herself a role in the first Sex and the City movie? From her troubled childhood to her first show at the famous Spearmint Rhino in London to her favorite sex toys, Monica reveals how she built her empire—which now includes hundreds of films, a website, and lucrative burlesque performances. Absolute Mayhem lifts the lid on the sex, rock, and mayhem of Monica's truly extraordinary professional life and unveils the private person behind it all.
