There are few creative acts more mysterious and magical than writing a song. But what if the goal wasn't so mysterious and was actually achievable for anyone who wants to experience more magic and creativity in their life? That's something that anyone will be inspired to do after reading Jeff Tweedy's How to Write One Song. Why one song? Because the difference between one song and many songs isn't a cute semantic trick—it's an important distinction that can simplify a notoriously confusing art form. The idea of becoming a capital-S songwriter can seem daunting, but approached as a focused, self-contained event, the mystery and fear subsides, and songwriting becomes an exciting pursuit. And then there is the energizing, nourishing creativity that can open up. How to Write One Song brings readers into the intimate process of writing one song—lyrics, music, and putting it all together—and accesses the deep sense of wonder that remains at the heart of this curious, yet incredibly fulfilling, artistic act. But it's equally about the importance of making creativity part of your life every day, and of experiencing the hope, inspiration, and joy available to anyone who's willing to get started.

Singing is an amazing accomplishment that almost everyone in the world wants to achieve. However, only a few people are actually lucky enough to successfully write a song, let alone sing it. Many people think that coming up with lyrics to a song is the hardest job in the world as it requires a high level of creativity which only poets & master musicians can conjure. I am here to tell you that this is just a stereotype and a misconception. Just take a look at the mainstream musical hits, for starters! The book has purposefully been designed for those who want to learn how to write a song, but don't know where to start from. It literally packs everything there is to know about writing a great song, from its structure to its thought process, nothing essential is left out. But the book also doesn't forget about your personal business and hectic schedule, especially if you're a person who's planning on doing this part-time. I've described a really simple way to write a song, all in an hour with the help of simple & refined techniques. Quite often, people tend to get bogged down in the useless details of writing a song, which not only slow the entire process down but also become a reason to lose interest in the whole process. Lucky for you, I've skipped all those boring essentials and have kept everything to the point, so you can easily & instantly apply the knowledge you learn from the book, into your practical life. After you've read the book, I'm sure you'll feel as if a whole new side of your mind has opened up and you'll find it much easier to convert natural elements in your life to lines to a song. You'll start feeling alive and after writing 2 - 3 songs will get that singer-like personality, everyone strives for. Most importantly, you'll be able to give your thoughts a new meaning and convert them into a song in less than an hour, and even brag about it! All in all, the book is a complete package and will undoubtedly help you accomplish the quest for writing a song, successfully.
