Expanded and updated information on the entire industry standard PC printer family. This edition has been completely updated to feature the latest LaserJet II and III series machines and the newest software, font cartridges, and utilities.

Developed in association with the American Psychiatric Association, this manual provides extensive knowledge of mental disorders and intellectual disabilities to aid in psychiatric diagnosis. To combat the all too frequent problem of misdiagnosis, this book helps clinicians identify signs and symptoms of specific disorders, allowing for a more comprehensive and thorough diagnosis and ensuring that patients receive appropriate care. The manual represents the collaborative effort of a number of experts and is an invaluable tool in improving our understanding of mental disorders and their unique expression in those with intellectual disabilities.

DNA fingerprinting is a revolutionary technique that enables scientists to match minute tissue samples and facilitates scientific studies on the composition, reproduction, and evolution of animal and plant populations. As a tool for positive identification of criminals, it plays a particularly important role in forensic science. The first book to be published in the field, , DNA Fingerprinting is a practical guide to basic principles and laboratory methods as applied to a variety of fields including forensic analysis, paternity testing, medical diagnostics, animal and plant sciences, and wildlife poaching.

A comprehensive presentation of the field of public finance, this text adopts a modern, theoretical and empirical approach to the subject.

Whiskey Days is the second full-length collection of memoir-driven works by Kentucky native Tommy Gaffney. Both the short stories and the poems in this volume invoke the emotional high wire of an author writing without a net, veering between the humorous and the abysmally raw that lay on either side of his narratives. The results this time show the growing maturity of both the scribe and the man and offer an intelligent conversation with the bar room professor on the stool beside you.

School crime prevention programs: hearing before the Committee on the Judiciary, United States Senate, One Hundred Sixth Congress, second session, May 15, 2000, New Castle, DE.
