HUCKLEBERRY FINN, By Mark Twain, Complete
Huckleberry Finn, "Huck" to his friends, is a boy about "thirteen or fourteen or along there" years old. (Chapter 17)
He has been brought up by his father, the town drunk, and has a difficult time fitting into society. Widow Douglas is the kind woman who takes Huck in after he helped save her from a violent home invasion.

Adventures of Huckleberry Finn - Wikipedia

In chapter 31, Huck Finn struggles to bring himself to compose a letter to Miss Watson letting her know where Jim is located. No matter how much he prays, Huck Finn still feels this action goes against his gut instinct. It's only when Huck listens to his own conscience rather than his Sunday School lessons that his true moral heroism emerges.

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

Adventures of Huckleberry Finn (or, in more recent editions, The Adventures of Huckleberry Finn) is a novel by Mark Twain, first published in the United Kingdom in December 1884 and in the United States in February 1885. Commonly named among the Great American Novels, the work is among the first in major American literature to be written throughout in vernacular English, characterized by local color regionalism. It is told in the first person by Huckleberry "Huck" Finn, a friend of Tom Sawyer and narrator of two other Twain novels (Tom Sawyer Abroad and Tom Sawyer, Detective). It is a direct sequel to The Adventures of Tom Sawyer.

These chapters provide insight into Jim's character. Jim is sincere and trustworthy, but also stubborn and mature. The chapters test Jim's loyalty to Huck, and vice-versa. For the first time the novel is dealing with the issue of loyalty, which will later have a strong impact on each character's decisions. Jim's sincerity is established in several ways. The most potent example is his joy at seeing Huck alive again after they are separated by the fog. Jim gets upset with Huck for tricking him into believing it was all a dream precisely because he had invested a great deal of emotional pain into the adventure. In this section, it becomes obvious that Jim would be willing to sacrifice a great deal to ensure Huck's

File Type PDF Huck Finn Chapters

safety. The problem at this juncture of the novel is that Huck does not yet reciprocate Jim's feelings. Huck is not yet willing to sacrifice part of his life to ensure Jim's safety, and thus leads Jim from one adventure to another, be it on the wrecked steamboat or during the fog. This is important because it is Huck's loyalty to Jim that will be tested later. The stubborn and mature side of Jim is evidenced by his arguments with Huck and his attitude towards adventures. Huck comments that once Jim gets an idea into his head it is impossible to change it, and proves this to the reader by discussing Jim's opinions of Solomon and Frenchmen. Jim's stubbornness can partially be traced to his maturity. He desperately wishes to avoid any adventures because adventures bring complications. Jim would be happiest if he were able to get to Cairo and take the steamboat upriver with no interruptions. Twain is famous for his sense of irony, and this section contains several examples. His best use of irony concerns the three robbers on the wrecked steamboat. When Huck and Jim lose their raft, they need to steal the robbers' skiff. However, the robbers return before they can steal it. The robbers then decide that they want all of their money, including their partner's share, and thus head back into the steamboat. Huck and Jim immediately steal the skiff. The irony is two-fold: not only are the robbers "robbed," they are also condemned to die on the steamboat as a result of their greed. Huck attempts to have them rescued, but the river acts faster than he can, by dragging the wreck further and causing it to sink too far for anyone to survive. Thus, the robbers meet the fate they condemned their partner to, namely drowning.
