I Am Half-Sick of Shadows, Said the Lady of Shalott is a painting by John William Waterhouse completed in 1915. It is the third painting by Waterhouse that depicts a scene from the Tennyson poem, "The Lady of Shalott". The title of the painting is a quotation from the last two lines in the fourth and final verse of the second part of Tennyson's poem:

I Am Half-Sick of Shadows, Said the Lady of Shalott ...
I am getting sick and tired of the conservatives on here complaining about BLM every day. i saw someone post something about America being a "white country", but you see, black people and other minorities wouldn't even be in America if your ancestors didn't bring them here to be slaves so like? They're literally people too.

A guide to coping with chronic illness teaches readers how to become aware of the attitude they have toward their illnesses and shows how they can communicate with themselves, their doctors, and their loved ones in ways that meet their needs. Original.

'This book fills a tremendous void...' wrote E. Fuller Torrey, M.D., about the first edition of I AM NOT SICK, I Don't Need Help! Ten years later, it still does. Dr. Amador's research on poor insight was inspired by his attempts to help his brother Henry, who developed schizophrenia, accept treatment. Like tens of millions of others diagnosed with schizophrenia and bipolar disorder, Henry did not believe he was ill. In this latest edition, 6 new chapters have been added, new research on anosognosia (lack of insight) is presented and new advice, relying on lessons learned from thousands of LEAP seminar participants, is given to help readers quickly and effectively use Dr. Amador's method for helping someone accept treatment. I AM NOT SICK, I Don't Need Help! is not just a reference for mental health practitioners or law enforcement professionals. It is a must-read guide for family members whose loved ones are battling mental illness. Read and learn as have hundreds of thousands of others...to LEAP-Listen, Empathize, Agree, and Partner-and help your patients and loved ones accept the treatment they need.

After the whole village of Bishop's Lacey descends on Flavia de Luce's family's estate during a raging blizzard to watch the filming of a movie, a person ends up dead, strangled by a length of film, and the 11-year-old budding chemist must find the killer. By the author of A Red Herring Without Mustard.

All is not well at Buckshaw, home of Flavia de Luce... With the family finances in a parlous state, Flavia's father has rented Buckshaw to a film company for a location shooting. When a heavy snowfall cuts the village off, the actors are talked into staging a benefit performance in the parish hall. But old jealousies surface, and the leading lady is murdered. Flavia, who has been enlisted to help out behind the scenes, finds herself up to her knees in snow - and murder!

Have you ever asked, 'Why am I sick?' and found that your doctor can't give you a satisfying answer?Western medicine can rarely answer this question - just look at any medical dictionary, and for 99 per cent of diseases listed, the cause is not known. The question is, how can you cure a disease - permanently - if you don't know what caused it in the first place?In Why Am I Sick? Richard Flook explains how disease really works, revealing how the body has not, in fact, made a mistake, but that there are different types of stressful experiences that can cause specific diseases to occur. He tackles the challenging questions of why cancers develop, how chronic diseases are caused, how allergies start, why our beliefs about bacteria and viruses are flawed, and how our present way of treating disease is in desperate need of updating. This ground-breaking book will challenge your present belief system about disease, and at the same time empower you by finally answering the question: 'Why am I sick?', to put you back in control of your health!

Illustrations and rhyming text reveal what a sick person should do, such as sing the Sickness Song, and should not do, such as pour chicken soup on one's head.

The Little Princess is too sick to walk the dog and she's far too sick to go to school. But when she's invited to a party, she makes a miraculous recovery! Until, that is, she eats too many cakes and sweets... The latest adventure for the naughty Little Princess, who also stars in her own award-winning TV series.
