(34) Think not that I am come to send peace.--Truth appears again in the form of seeming paradox. Christ is "our peace" (Ephesians 2:14), and came to be the one great Peacemaker; and yet the foreseen consequences of His work involved strife and division, and such a consequence, freely accepted for the sake of the greater good that lies beyond it, involves, in fact, a purpose.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

A deeply moving debut novel set amid the perilous world of Nigerian email scams, I Do Not Come to You by Chance tells the story of one young man and the family who loves him. Being the opera of the family, Kingsley Ibe is entitled to certain privileges--a piece of meat in his egusi soup, a party to celebrate his graduation from university. As first son, he has responsibilities, too. But times are bad in Nigeria, and life is hard. Unable to find work, Kingsley cannot take on the duty of training his younger siblings, nor can he provide his parents with financial peace in their retirement. And then there is Ola. Dear, sweet Ola, the sugar in Kingsley's tea. It does not seem to matter that he loves her deeply; he cannot afford her bride price. It hasn't always been like this. For much of his young life, Kingsley believed that education was everything, that through wisdom, all things were possible. Now he worries that without a "long-leg"--someone who knows someone who can help him--his degrees will do nothing but adorn the walls of his parents' low-rent house. And when a tragedy befalls his family, Kingsley learns the hardest lesson of all: education may be the language of success in Nigeria, but it's money that does the talking. Unconditional family support may be the way in Nigeria, but when Kingsley turns to his Uncle Boniface for help, he learns that charity may come with strings attached. Boniface--aka Cash Daddy--is an exuberant character who suffers from elephantiasis of the pocket. He's also rumored to run a successful empire of email scams. But he can help. With Cash Daddy's intervention, Kingsley and his family can be as safe as a tortoise in its shell. It's up to Kingsley now to reconcile his passion for knowledge with his hunger for money, and to fully assume his role of first son. But can he do it without being drawn into this outlandish milieu?

The thief does not come except to steal, and to kill, and to destroy. John 10:10a NKJV Satan is the god of this world (see 2 Corinthians 4:4 and 1 John 5:19), is the "father of lies" (see John 8:44), and his job description is to "steal, and to kill, and to destroy." In order to achieve his aims, he most often lies to us and deceives us. Satan often disguises his forces to make them look like natural problems so you'll fight them with natural weapons. But you cannot fight a spiritual foe with natural weapons but with spiritual weapons, i.e. speaking God's word to the devil and his demons. Unfortunately satan can disguise himself as an "angel of light," so it is possible to be deceived by an innocent and apparently correct Christian teaching (see Matthew 24:4, 24:5; Mark 13:5, 13:6; and Luke 21:8). Often these inaccurate or incomplete teachings focus on God's love and blessings (thus appealing to our flesh and so lead us astray (see Mark 13:22 and 1 Timothy 4:1) and do not mention His greatness, or our need to obey Him and have a reverential fear of Him. This book aims to help reveal satan's lie and deception strategies and so empower Christians to live the Christian life that God intended. "Great book, interesting and well written based on solid evidence, documented, and not on flights of fancy or fanciful digressions or comforting in a fantastic book where you can find and discover the birth of the religion best known to the world. Through the dialogue structure, the reading is easier even if the terminology is researched and complex. At first glance it may seem pedantic, but you will be fascinated by the events described that so well dot the book." -- Kalyan Panja , Booktica - Book Reviews
