After Lucy and Sean pursue an arsonist into an abandoned mine shaft, Lucy stumbles upon an even more heinous crime—and the perfectly preserved remains of its victim. The only thing more disturbing than the discovery of the corpse is its sudden disappearance. While the local police remain skeptical, Lucy is dead certain that there's a connection between the sabotage at the resort and the murder—one that the less-than-neighborly citizens of Spruce Lake seem to have a stake in keeping hidden. Then, when a cold-blooded sniper targets Sean and Lucy, FBI agent Noah Armstrong enters the fray to ensure that more bodies don't hit the ground. Now three outsiders race to untangle a violent conspiracy before they end up like the rest of Spruce Lake's secrets: dead and buried.

A blizzard shut down the airports and she and her boyfriend Sean Rogan are stuck in a Denver hotel ... with a dead body. And if that wasn't all, back in San Diego Colonel Kincaid ends up in the hospital, where an even greater danger awaits ... a man with a vendetta who will kill anyone who gets in his way. But the longer he's undercover, the more dangerous the game becomes. More than Sean's future with Lucy is at stake—so is his life. While Lucy is focused on her investigation tracking down dozens of children sold through illegal adoptions, Noah begins a quiet investigation of Eden and her elusive twin, Liam. He's certain that, since they're both thieves, they're here for a job or a heist. But they are up to something far more sinister than even Noah can imagine. Liam has a score to settle with his family, and Sean has something he wants. The twins will do anything to get it—including putting Lucy's life in danger. It'll take everyone—Kincaids and Rogans alike—to stop Liam before someone dies. Unfortunately, Liam's treachery has unforeseen consequences for Sean and Lucy, as a longtime enemy of the Rogan family hellbent on revenge sees an opportunity to make them all pay...

In New York Times bestseller Allison Brennan's *Cold as Ice*, FBI Agent Lucy Kincaid must get into the head of a psychopath to save her family, and herself Two years ago, FBI Agent Lucy Kincaid put psychopath Elise Hansen Hunt in juvenile detention for her role in an organized crime syndicate. Now eighteen, Elise has been released with a clean slate, and plans to take her revenge by making Lucy's life hell. The plot begins with Lucy's husband Sean Rogan, who has been arrested for a murder he most certainly did not commit. Lucy is determined to prove Sean's innocence, but is warned off the case by her boss. As she calls in reinforcements, she learns that Sean's brother Kane is missing in Mexico, her partner Nate Dunning has been arrested for possession of cocaine, and her friend Brad Donnelly has been kidnapped outside DEA headquarters. Lucy realizes that Elise doesn't have the resources or patience to execute such a devious plan. Did Elise's father orchestrate everything from prison? Or is there someone even more calculating seeking revenge on Lucy by hurting the people she loves? One thing is certain: if Lucy doesn't find the answers fast, Sean will die.
