A New York Times Book Review Editors' Choice "Intelligent, honest, and full of heart," My Heart is an intimate work of autobiographical fiction by one of ex-Yugoslavia's greatest writers about his family's experience as refugees from the Bosnian war—a timeless story of love, memory, and the resilience of the human spirit that "has all the qualities one might seek in a friend" (Etgar Keret, author of The Seven Goods Years). "Today, it seems, was the day I was meant to die." When a writer suffers a heart attack at the age of fifty, he must confront his mortality in a country that is not his native home. Confined to a hospital bed and overcome by a sense of powerlessness, he reflects on the fragility of life and finds extraordinary meaning in the quotidian. In this affecting autobiographical novel, Semezdin Mehmedinovic explores the love he and his family have for one another, strengthened by trauma; their harrowing experience of the Bosnian war, which led them to flee for the United States as refugees; eerie premonitions of Donald Trump's presidency; the life and work of a writer; and the nature of memory and grief. Poetically explosive and pure to the core, My Heart serves as a kind of mirror, reflecting our human strengths and weaknesses along with the most important issues on our minds--love and death, the present and the past, sickness and health, leaving and staying.

From the author-illustrator of The Book of Mistakes comes a gorgeous picture book about caring for your own heart and living with kindness and empathy. My heart is a window. My heart is a slide. My heart can be closed...or opened up wide. Some days your heart is a puddle or a fence to keep the world out. But some days it is wide open to the love that surrounds you. With lyrical text and breathtaking art, My Heart empowers all readers to listen to the guide within in this ode to love and self-acceptance.

Wheeler presents a collection of tender and inspiring stories to remind readers that only a Christ-filled Christmas has any meaning at all. Illustrations.

It's been six months since Ashlyn Daniels was kicked out of her home. Six months since she stood up to her abusive stepfather and got a busted rib-and seeing all her things set ablaze in a backyard bonfire-for her trouble. Never going back. She doesn't need trouble...especially if trouble is tattoo artist Lane Garrett, who's six-foot-plus of tattooed hotness and a complete ass. Lane has spent the last decade fighting to support his family. To protect them. There's no room for romance, even with a fragile (yet amusingly feisty) stunner...even if she somehow manages to invade his world and his heart. But while some secrets are as visible as ink on the skin, others must remain hidden at all costs... Each book in the Written on my Heart series is a standalone story that can be enjoyed out of order.
