Trained from birth in swordplay and combat, a young knight named Siris has journeyed to the Dark Citadel with a single purpose: fight through the army of Titans to face the tyrannical God King in one-on-one combat. This was his father's sacred mission, and his father's before him, going back countless generations in an effort to free their people from enslavement. But when Siris somehow succeeds where all those from his bloodline previously have failed, he finds himself cast into a much larger world, filled with warriors and thieves, ancient feuds and shifting alliances, Deathless immortals and would-be kings. His quest for freedom will take him on an epic journey in search of the mythical figure known as the Worker of Secrets - the one being in the world who can unravel the secrets of the Infinity Blade.

In this gripping sequel to the New York Times bestselling Infinity Son, Adam Silvera brings a diverse cast of heroes and villains to life in an alternate New York where some people are born with powers, while others steal them from the blood of endangered magical creatures. Emil and Brighton defied the odds. They beat the Blood Casters and escaped with their lives—or so they thought. When Brighton drank the Resper's Blood, he believed it would make him invincible, but instead the potion is killing him. In Emil's race to find an antidote that will not only save his brother but also rid him of his own unwanted phoenix powers, he will have to dig deep into the very past lives he's trying to outrun. Though he needs the help of the Spell Walkers now more than ever, their ranks are fracturing, with Maribelle's thirst for revenge sending her down a dangerous path. Meanwhile, Ness is being abused by Senator Iron for political gain, his rare shifting ability making him a dangerous weapon. As much as Ness longs to send Emil a signal, he knows the best way to keep Emil safe from his corrupt father is to keep him at a distance. The battle for peace is playing out like an intricate game of chess, and as the pieces on the board move into place, Emil starts to realize that he may have been competing against the wrong enemy all along.
